HIGHLIGHTS/SUMMARY OF THE SCHEME

Scheme Code: INDB/O/D/LIF/11/10/0001

Investment Objective: To provide a high level of liquidity with returns commensurate with low risk through a portfolio of money market & debt securities with maturity of upto 91days.

Plans: The Scheme offers following two plans for investment into the Scheme:

A. Direct Plan: This Plan is suitable for investors who wish to invest directly in the scheme without routing their investment through any distributor. The Direct Plan shall have lower expense ratio compared to the Regular Plan and no commission shall be paid out of the Direct Plan.

B. Regular Plan: This Plan is suitable for investors who wish to invest in the Scheme through any distributor. This Plan shall have higher expense ratio compared to the Direct Plan and distributor commission may be paid out of this Plan.

The Direct Plan and Regular Plan shall have separate NAVs. However, there will be a common portfolio for both plans. The various options available under the Direct Plan and Regular Plan and the salient features common to both plans are given below.

Options: The Scheme has the following Options across a common portfolio:

Growth Option: This option is suitable for investors who are not looking for current income but who invest only with the intention of capital appreciation. However, there can be no assurance of the capital appreciation.

IDCW Option: This option is suitable for investors seeking income through IDCW declared by the Scheme. Under this Option, the Scheme will endeavour to declare IDCWs from time to time. The IDCW shall be dependent on the availability of distributable surplus.

The IDCW Option has the following Facilities:

- Groww Liquid Fund (formerly known as Indiabulls Liquid Fund)- Direct Plan- - IDCW Option (Reinvestment)
- Groww Liquid Fund (formerly known as Indiabulls Liquid Fund)- Direct Plan- Weekly IDCW Option (Payout & Reinvestment)
- Groww Liquid Fund (formerly known as Indiabulls Liquid Fund)- Direct Plan- Fortnightly IDCW Option (Payout & Reinvestment)
- Groww Liquid Fund (formerly known as Indiabulls Liquid Fund)- Direct Plan- Monthly IDCW Option (Payout & Reinvestment)

- Groww Liquid Fund (formerly known as Indiabulls Liquid Fund)- Regular Plan- - IDCW Option (Reinvestment)
- Groww Liquid Fund (formerly known as Indiabulls Liquid Fund)- Regular Plan- Weekly - Weekly IDCW Option (Payout & Reinvestment)
- Groww Liquid Fund (formerly known as Indiabulls Liquid Fund)- Regular Plan- Fortnightly IDCW Option (Payout & Reinvestment)
- Groww Liquid Fund (formerly known as Indiabulls Liquid Fund)- Regular Plan- Monthly IDCW Option (Payout & Reinvestment)

In cases where the investor fails to opt for a particular Option at the time of investment, the default Option will be Growth. If the investor chooses IDCW Option and fails to mention facility / frequency then the default facility will be Reinvestment and the default frequency will be monthly.

If IDCW payable under IDCW Payout option is equal to or less than Rs. 250/- then the IDCW would be compulsorily reinvested in the option of the Scheme

The amounts can be distributed under Income Distribution cum capital withdrawal option (IDCW) out of investors capital (Equalization Reserve), which is part of sale price that represents realized gains. However, investors are requested to note that amount (IDCW) distribution under IDCW option is not guaranteed and subject to availability of distributable surplus.

A clear segregation between income distribution (appreciation on NAV) and capital distribution (Equalization Reserve) shall be suitably disclosed in the Consolidated Account Statement provided to the investors, whenever distributable surplus is distributed.

Minimum Application/ Additional Purchase Amount

Rs. 500 and in multiples of Re. 1/- thereafter

Minimum Redemption Amount

Rs. 500/- and in multiples of Re. 1/- thereafter or account balance, whichever is lower. In case of investors/ unitholders having available balance less than Rs. 5,000 in their respective folio on the day of submission of valid redemption request, AMC reserves the right to redeem the full available balance.

Liquidity

The Scheme offers Units for Subscription and Redemption at NAV based prices on all Business Days on an ongoing basis, commencing not later than 5 business days from the date of Allotment. Under normal circumstances the AMC shall dispatch the Redemption proceeds within 03 Working Days from date of receipt of request from the Unit holder.

Benchmark

CRISIL Liquid Debt B-I Index

Transparency/ NAV Disclosure

The AMC will calculate the NAVs for all the Business Days. The NAV of the Scheme shall be published at least in two daily newspapers on all Business Days. The Asset Management Company ("AMC") shall update the NAVs on the Association of Mutual Funds in India ("AMFI") website (www.amfiindia.com) before 9.00 p.m. every Business Day. The NAV will also be available on AMC website (www.growwmf.in). If the NAVs are not available before the commencement of Business Hours on the following day due to any reason, the Mutual Fund shall issue a press release giving reasons and explaining when the Mutual Fund would be able to publish the NAV.

The Mutual Fund and AMC shall publish the Scheme Portfolio within ten days from the close of month. Mutual Fund / AMC shall disclose portfolio (along with ISIN) as on the last day of the month / half year of the scheme on its website (www.growwmf.in) & on the website of AMFI within 10 days from the close of each month / half year respectively in a downloadable spreadsheet format. The Mutual fund / AMC shall host half yearly unaudited

scheme financials on its website (www.growwmf.in) & on the website of AMFI within 1 month from the close of each half year (i.e. 31st March & 30th September).

The Mutual Fund and AMC will make available the Annual Report of the Scheme within four months of the end of the financial year.

Loads

Exit Load as a % of redemption proceeds	0.0070%	0.0065%	0.0060%	0.0055%	0.0050%	0.0045%	0.0000%

The date of applicable NAV towards redemption units shall be considered for calculating the number of subscription days

Upfront commission shall be paid directly by the investor to the ARN Holder (AMFI registered Distributor) based on the investors' assessment of various factors including the service rendered by the ARN Holder.

Transaction Charges

In accordance with SEBI Circular No. Cir/IMD/DF/13/2011 dated August 22, 2011, the distributor (**who has opted in based on type of product**) would be allowed to charge the existing investor a sum of Rs. 100 per subscription of Rs 10,000 and above as transaction charge and Rs. 150 to the first time investor.

No charge can be made for investments below Rs. 10,000. The transaction charge (Rs. 100/ Rs. 150) if any, will be deducted by the AMC from the subscription amount and paid to the distributor; and the balance amount will be invested in the Scheme. Thus units will be allotted against the net investment.

There would be no transaction charge on

- (a) transactions other than purchases/ subscriptions relating to new inflows, and
- (b) direct transactions with the Mutual Fund.

The transaction charges are in addition to the existing commission permissible to the distributors.

In case of SIPs, the transaction charge shall be applicable only if the total commitment through SIPs amounts to Rs.10,000/- and above. In such cases the transaction charge shall be recovered in 3 installments. The statement of account shall clearly state that the net investment as gross subscription less transaction charge and give the number of units allotted against the net investment.

Uniform disclosure on treatment of applications under "Direct"/ "Regular" Plans:

4	Mentioned	Direct	Direct Plan
5	Direct	Not Mentioned	Direct Plan
6	Direct	Regular	Direct Plan
7	Mentioned	Regular	Regular Plan
8	Mentioned	Not Mentioned	Regular Plan

In cases of wrong/ invalid/ incomplete ARN codes mentioned on the application form, the application shall be processed under Regular Plan. The AMC shall contact and obtain the correct ARN code within 30 calendar days of the receipt of the application form from the investor/ distributor. In case, the correct code is not received within 30 calendar days, the AMC shall reprocess the transaction under Direct Plan from the date of application without any exit load.

I. INTRODUCTION

A. RISK FACTORS

i. Standard Risk Factors:

- 1) Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- 2) As the price/ value/ interest rate of the securities in which the Scheme invests fluctuates, the value of your investment in the Scheme may go up or down.
- 3) Past performance of the Sponsor/AMC/Mutual Fund does not guarantee future performance of the Scheme.
- 4) The name of the Scheme does not in any manner indicate either the quality of the Scheme or its future prospects and returns.
- 5) The sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 50,000 made by it towards setting up the Fund.
- 6) The Scheme is not a guaranteed or assured return Scheme.

ii. Scheme Specific Risk Factors

The following are the risks associated with investment in Fixed Income securities:

Interest-Rate Risk: Fixed income securities such as government bonds, corporate bonds, Money Market Instruments and Derivatives run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices depends upon the coupon and maturity of the security. It also depends upon the yield level at which the security is being traded.

Re-investment Risk: Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original coupon of the bond.

Basis Risk: The underlying benchmark of a floating rate security or a swap might become less active or may cease to exist and thus may not be able to capture the exact interest rate movements, leading to loss of value of the portfolio.

Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.

Liquidity Risk: The liquidity of a bond may change, depending on market conditions leading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio.

Credit Risk: This is the risk associated with the issuer of a debenture/bond or a Money Market Instrument defaulting on coupon payments or in paying back the principal amount on maturity. Even when there is no default, the price of a security may change with expected changes in the credit rating of the issuer. It is to be noted here that a Government Security is a sovereign security and is the safest. Corporate bonds carry a higher amount of credit risk than Government Securities. Within corporate bonds also there are different levels of safety and a bond rated higher by a particular rating agency is safer than a bond rated lower by the same rating agency.

Liquidity Risk on account of unlisted securities: The liquidity and valuation of the Scheme investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.

Settlement Risk: Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV.

Risk Associated with Securitized Debt

The Scheme may invest in domestic securitized debt such as Asset Backed Securities (“ABS”) or Mortgage Backed Securities (“MBS”). ABS are securitized debts where the underlying assets are receivables arising from various loans including automobile loans, personal loans, loans against consumer durables, etc. MBS are securitized debts where the underlying assets are receivables arising from loans backed by mortgage of residential / commercial properties.

At present in Indian market, following types of loans are securitized:

1. Auto Loans (cars / commercial vehicles /two wheelers)
2. Residential Mortgages or Housing Loans
3. Consumer Durable Loans
4. Personal Loans
5. Corporate Loans

In terms of specific risks attached to securitization, each asset class would have different underlying risks. Residential Mortgages generally have lower default rates than other asset classes, but repossession becomes difficult. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is fairly easier and better compared to mortgages. Asset classes like personal loans, credit card receivables are unsecured and in an economic downturn may witness higher default.

The rating agency defines margins, over collateralization and guarantees to bring risk in line with similar AAA rated securities. The factors typically analyzed for any pool are as follows:

- a. Assets securitized and Size of the loan: This indicates the kind of assets financed with the loan and the average ticket size of the loan. A very low ticket size might mean more costs in originating and servicing of the assets.
- b. Diversification: Diversification across geographical boundaries and ticket sizes might result in lower delinquency.
- c. Loan to Value Ratio: Indicates how much % value of the asset is financed by borrowers own equity. The lower this value the better it is. This suggests that where the borrowers own contribution of the asset cost is high; the chances of default are lower.
- d. Average seasoning of the pool: This indicates whether borrowers have already displayed repayment discipline. The higher the number, the more superior it is.

The other main risks pertaining to Securitized debt are as follows:

Prepayment Risk: This arises when the borrower pays off the loan sooner than expected. When interest rates decline, borrowers tend to pay off high interest loans with money borrowed at a lower interest rate, which shortens the average maturity of ABS. However, there is some prepayment risk even if interest rates rise, such as when an owner pays off a mortgage when the house is sold or an auto loan is paid off when the car is sold.

Reinvestment Risk: Since prepayment risk increases when interest rates decline, this also introduces reinvestment risk, which is the risk that the principal can only be reinvested at a lower rate.

Risks associated with Derivatives Transactions

Credit Risk: The credit risk is the risk that the counter party will default in its obligations and is generally small as in a Derivative transaction there is generally no exchange of the principal amount.

Interest rate Risk: Derivatives carry the risk of adverse changes in the price due to change in interest rates.

Basis Risk: When a bond is hedged using a Derivative, the change in price of the bond and the change in price of the Derivative may not be fully correlated leading to basis risk in the portfolio.

Liquidity Risk: During the life of the Derivative, the benchmark might become illiquid and might not be fully capturing the interest rate changes in the market, or the selling, unwinding prices might not reflect the underlying assets, rates and indices, leading to loss of value of the portfolio.

Model Risk: The risk of mis-pricing or improper valuation of Derivatives.

Trade Execution: Risk where the final execution price is different from the screen price leading to dilution in the spreads and hence impacting the profitability of the reverse arbitrage strategy.

Systemic Risk: For Derivatives, especially OTC ones, the failure of one Counter Party can put the whole system at risk and the whole system can come to a halt.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

The risks associated with the use of Derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Risk associated with Securities Lending

Securities Lending is a lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed. There are risks inherent in securities lending, including the risk of failure of the other party, in this case the approved intermediary to comply with the terms of the agreement. Such failure can result in a possible loss of rights to the collateral, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of corporate benefits accruing thereon.

Risk factors associated with repo transactions in corporate bonds

- The market for the aforesaid product is over the counter (OTC) and illiquid. Hence, repo obligations cannot be easily sold to other parties. If counterparty fails, the scheme would have to take recourse to the collateral provided. If a counterparty fails to repay and the value of the collateral falls beyond the haircut, then the Scheme would be exposed to a loss of interest or principal
- Further, the exposure to debt securities provided as collateral, and the issuer of the debt securities makes a default, the scheme may lose the whole, or substantial portion of the amount

B. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

Each Plan shall have a minimum of 20 Investors and no single Investor shall account for more than 25% of the corpus of the Plan. However, if such limit is breached during the NFO of the Scheme, the Fund will endeavor to ensure that within a period of three months or the end of the succeeding calendar quarter from the close of the NFO of the Scheme, whichever is earlier, the Scheme complies with these two conditions. In case the Scheme/ Plan(s) does not have a minimum of 20 Investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme/ Plan(s) shall be wound up and the units would be redeemed at Applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any Investor over the quarter, a rebalancing period of one month would be allowed and thereafter the Investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic Redemption by the Mutual Fund on the Applicable NAV on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

C.SPECIAL CONSIDERATIONS

- Prospective investors should study this Scheme Information Document and Statement of Additional Information carefully in its entirety and should not construe the contents hereof as advice relating to legal, taxation, financial, investment or any other matters and are advised to consult their legal, tax, financial and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming Units, before making a decision to invest/redeem/hold Units.
- Neither this Scheme Information Document (“SID”), SAI nor the Units have been registered in any jurisdiction. The distribution of this Scheme Information Document or Statement of Additional Information in certain jurisdictions may be restricted or totally prohibited to registration requirements and accordingly, persons who come into possession of this Scheme Information Document or Statement of Additional Information are required to inform themselves about and to observe any such restrictions and/ or legal compliance requirements.
- The AMC, Trustee or the Mutual Fund have not authorized any person to issue any advertisement or to give any information or to make any representations, either oral or written, other than that contained in this Scheme Information Document or the Statement of Additional Information or as provided by the AMC in connection with this offering. Prospective Investors are advised not to rely upon any information or representation not incorporated in the Scheme Information Document or Statement of Additional Information or as provided by the AMC as having been authorized by the Mutual Fund, the AMC or the Trustee.
- Redemption due to change in the fundamental attributes of the Scheme or due to any other reasons may entail tax consequences. The Trustee, AMC, Mutual Fund, their directors or their employees shall not be liable for any such tax consequences that may arise due to such Redemptions.

- The Trustee, AMC, Mutual Fund, their directors or their employees shall not be liable for any of the tax consequences that may arise, in the event that the Scheme is wound up for the reasons and in the manner provided in Statement of Additional Information.
- The tax benefits described in this Scheme Information Document and Statement of Additional Information are as available under the present taxation laws and are available subject to relevant conditions. The information given is included only for general purpose and is based on advice received by the AMC regarding the law and practice currently in force in India as on the date of this Scheme Information Document and the Unit holders should be aware that the relevant fiscal rules or their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Unit holder is advised to consult his / her own professional tax advisor.
- The Mutual Fund may disclose details of the investors account and transactions there under to those intermediaries whose stamp appears on the application form or who have been designated as such by the investor. In addition, the Mutual Fund may disclose such details to the bankers, as may be necessary for the purpose of effecting payments to the investor. The Fund may also disclose such details to regulatory and statutory authorities/bodies as may be required or necessary.
- As the liquidity of the Scheme investments may sometimes be restricted by trading volumes and settlement periods, the time taken by the Fund for Redemption of Unit may be significant in the event of an inordinately large number of Redemption Requests or of a restructuring of the Scheme portfolio. In view of this, the Trustee has the right, in its sole discretion, to limit redemptions under certain circumstances - please refer to the paragraph “Right to Limit Redemptions in SAI”.
- Pursuant to the provisions of Prevention of Money Laundering Act, 2002, if after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, on failure to provide required documentation, information, etc. by the Unit holder the AMC shall have absolute discretion to report such suspicious transactions to FIU-IND (Financial Intelligence Unit – India) and/ or to freeze the folios of the investor(s), reject any application(s)/redemptions / allotment of Units.
- The AMC may utilise the services of the sponsor or any of its associates, for the purpose of any securities transaction and distribution and sale of securities. In such events, the brokerage or commission paid to the Sponsor or any of its associates. shall be disclosed in the half-yearly annual accounts of the mutual fund.
- **The Mutual Fund/AMC and its empanelled broker(s) have not given and shall not give any indicative portfolio/ yield in any communication, in any manner whatsoever. Investors are advised not to rely on any communication regarding indicative yield/ portfolio with regard to the scheme. Investors are requested to study the terms of the offer carefully before investing in the Scheme, and to retain this SID and the SAI for future reference.**

STAMP DUTY ON MUTUAL FUND TRANSACTIONS:

Pursuant to Notification No. S.O. 1226(E) and G.S.R. 226(E) dated March 30, 2020 issued by Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of The Finance Act, 2019, notified on February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India, a stamp duty @0.005% of the transaction value would be levied on applicable mutual fund transactions, with effect from July 1, 2020. Accordingly, pursuant to levy of stamp duty, the number of units allotted on purchase transactions (including IDCW reinvestment/switch transactions) to the Unit holders would be reduced to that extent.

ANTI MONEY LAUNDERING AND KNOW YOUR CUSTOMER (KYC)

Pursuant to the provisions of Prevention of Money Laundering Act, 2002, if after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, on failure to provide required documentation, information, etc. by the Unit holder the AMC shall have absolute discretion to report such suspicious transactions to FIU-IND (Financial Intelligence Unit – India) and / or to freeze the folios of the investor(s), reject any application(s)/redemptions / allotment of Units.

- In terms of the Prevention of Money Laundering Act, 2002 (PMLA) the rules issued thereunder and the guidelines /Circulars issued by SEBI all the intermediaries including mutual funds are required to formulate and implement a client identification programme and to verify and maintain the record of identity and addresses of the investors.
- The AMC has entrusted the responsibility of collection of documents relating to identity and address and record keeping to all agencies currently engaged in KRA which have tied up with the AMC, which act as record keeping agencies. As a token of having verified the identity and address and for efficient retrieval of records, the agencies will issue KYC compliance letter to each investor who submits an application and prescribed documents to the respective agencies.
- As per AMFI Guidelines with effect from January 01, 2011 KYC formalities under the PMLA and related guidelines issued by SEBI must be completed by all the investors (including power of attorney and guardian in case of minor for individual investors intending to invest any amount in the units of the mutual funds .This one time verification is valid for transactions across all mutual funds .

SEBI vide circular no. MIRSD/SE/Cir-21/2011 dated October 5, 2011 had mandated (i) Standard KYC form with uniform KYC guidelines and supporting documents to be used by SEBI registered intermediaries and (ii) Centralized KYC registration through KYC Registration Agencies (KRAs) registered with SEBI, w.e.f. January 1, 2012, to bring about uniform KYC process in the securities market, based on SEBI prescribed norms and the KYC details are shared with all SEBI registered intermediaries by the KRAs.

Subsequently, SEBI, vide its circular no. MIRSD/Cir-5/2012 dated April 13, 2012 advised various intermediaries to upload KYC data of its existing customers into the KRA system. While uploading KYC data into the KRA system, intermediaries were also required to highlight such 'Missing/Not Available' KYC information of a customer, which was either not required or not taken previously, but was mandatory as per uniform KYC guidelines issued by SEBI.

In accordance with AMFI best practices guidelines circular no. 62/2015-16 dated September 18, 2015, it is mandatory for all new/existing investors to provide additional KYC information such as Income details, Occupation, association with politically exposed person, net worth etc. as mentioned in the application form. Subscription requests, without providing these details, are liable to be rejected. No subscriptions (whether fresh or additional) and switches pertaining to 'KYC on-hold' cases are accepted, unless the investor / unitholder also submits relevant KYC missing / updated information, which is appropriately updated on the KRA - KYC. Further, it is mandatory for existing customers to complete In-Person Verification process and provide the missing KYC information failing which their applications / transaction requests for additional subscription (including switches) is liable to be rejected.

OPERATIONALISATION OF CENTRAL KYC RECORDS REGISTRY (CKYCR)

Central Registry of Securitisation and Asset Reconstruction and Security interest of India ('CERSAI') has been authorised by Government of India to act as Central KYC Records Registry under Prevention of Money-Laundering (Maintenance of Records) Rules, 2005 ('PMLA Rules').

SEBI vide its circular no. CIR/MIRSD/66/2016 dated July 21, 2016 and circular no. CIR/MIRSD/120/2016 dated November 10, 2016 has prescribed that the Mutual Fund/ AMC should capture KYC information for sharing with CKYCR as per the KYC template prescribed by CERSAI for uniform and smooth implementation of CKYC norms for onboarding of new investors in Mutual Funds with effect from February 1, 2017.

In accordance with the aforesaid SEBI circulars and AMFI best practice guidelines for implementation of CKYC norms with effect from February 1, 2017:

- a) Individual investors who have never done KYC process under KRA regime i.e. a new investor who is new to KRA system and whose KYC is not registered or verified in the KRA system shall be required to provide KYC details in the CKYC Form to the Mutual Fund/ AMC.
- b) Individual investor who fills old KRA KYC Form, should provide additional / missing information using Supplementary KYC Form or fill CKYC Form. The said form is available on Mutual Fund website www.growwmf.in
- c) Details of investors shall be uploaded on the system of CKYCR and a 14 digit unique KYC identifier ('KIN') will be generated for such customer.
- d) New investors, who have completed CKYC process & have obtained KIN may quote their KIN in the application form instead of submitting CKYC Form/ Supplementary KYC Form.
- e) AMC/ Mutual Fund shall use the KIN of the investor to download the KYC information from CKYCR system and update its records.
- f) If the PAN of investor is not updated on CKYCR system, the investor should submit self certified copy of PAN card to the Mutual Fund/ AMC.

The AMC reserves the right to reject transaction application in case the investor(s) fails to submit information and/or documentation as mentioned above. In the event of non-compliance of KYC requirements, the Trustee / AMC reserves the right to freeze the folio of the investor(s).

Treatment of the Folios without PAN / PEKRN (PAN exempted KYC Reference Number):

SEBI had mandated PAN as the sole identification for all the transactions in the securities market irrespective of the amount of transaction with effect from July 02, 2007. Further, SEBI has provided an exemption from requirement of PAN for micro financial products (i.e., investments up to ₹50,000 per MF per year) and for investors residing in the state of Sikkim. Such investors are required to provide alternate proof of identity in lieu of PAN for KYC purposes and are allotted PAN-exempt KYC Reference Number (PEKRN). It has been decided by SEBI as follows: a) No investments (Systematic transaction, lumpsum, redemption) shall be permitted in such folios wherein PAN/PEKRN details are not available. b) All necessary steps shall be taken to populate such folios with PAN or PEKRN (as may be applicable) before March 31, 2023 by obtaining PAN / PEKRN from the concerned unitholders. c) Thereafter, such non-compliant Non-PAN and Non-PEKRN folios will be liable to be frozen from April 01, 2023. d) Further, non-investor-initiated transactions such as dividend pay-out, if any, declared by the Mutual Fund schemes shall also be disallowed. AMC's shall send the intimation to the concerned unitholders that such payment is due and shall be made electronically only upon complying with the PAN/PEKRN requirements. e) Unitholders whose folio(s) has/have been frozen due to the above requirement shall be able to (permitted to) lodge grievance or avail service request only after furnishing the above details. The PAN / PEKRN (as may be applicable) needs to be provided in respect of all joint holders.

ULTIMATE BENEFICIAL OWNERSHIP DETAILS:

SEBI vide its circular no. CIR/MIRSD/2/2013 dated January 24, 2013 further read with AMFI Best practices guidelines circular no. 62/2015-16 dated September 18, 2015 and other applicable regulations has prescribed guidelines, for identification of Beneficial Ownership to be followed by the intermediaries. A 'Beneficial owner' is defined as a natural person or persons who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted, and includes a person who exercises ultimate effective control over a legal person or arrangement. In this regard, all categories of investors (including all new / existing investors / unitholders) (except individuals, companies listed on a stock exchange or majority owned subsidiary of such companies) are mandatorily required to provide beneficial ownership details for all investments. Failing which, fund reserves the right to reject applications / subscription requests / additional subscription requests (including switches) / restrict further investments or seek additional information from investors who have not provided the requisite information on beneficial ownership. In the event of change in beneficial ownership, investors are requested to immediately update the details with the Fund/Registrar.

FOREIGN ACCOUNT TAX COMPLIANCE ACT ('FATCA') AND COMMON REPORTING STANDARDS (CRS) REQUIREMENTS:

FATCA is a United States of America ("U.S.") tax initiative that requires all financial institutions to report financial transactions of U.S. persons including entities in which U.S. persons hold a substantial ownership, etc. to the relevant tax authorities. It was introduced by the United States Department of Treasury and the US Internal Revenue Service ("IRS"), the purpose of FATCA is to encourage better tax compliance by preventing U.S. persons from using financial institutions outside U.S. to avoid U.S. taxation on their income and assets.

Further, similar to FATCA, G20 and OECD countries have developed CRS on Automatic Exchange of Information (AEOI). CRS requires the financial institutions of the source jurisdiction to collect and report information to their tax authorities about account holders "resident" in other countries.

The Indian Government signed an Inter-Governmental Agreement (“IGA”) with the U.S. on July 9, 2015 to implement the FATCA in India. In addition, India also signed the OECD’s Model Competent Authority Agreement for tax information sharing in accordance with multilateral Common Reporting Standard (“CRS”) on June 3, 2015. India had committed to implement CRS and the same has been implemented from January 1, 2016. The Central Board of Direct Taxes has inserted Section 285BA of the Income Tax Act, 1961 along with Rules 114F to 114H (FATCA-CRS Rules), as part of the Income-tax Rules, 1962. These Rules require Indian financial institutions such as the Banks, Mutual Funds, etc. to seek additional personal, tax and beneficial owner information and certain certifications and documentation from all our investors and counterparties. According to the FATCA-CRS Rules, financial institutions in India are required to report tax information about account holders that tax resident of U.S. and other foreign countries, to the CBDT/ Indian Government which will, in turn, will relay that information to the IRS and governments of other foreign countries.

These developments have resulted in compliance and reporting obligations on Financial Institutions like Groww Mutual Fund. In relevant cases, information will have to be reported to tax authorities i.e. CBDT. Towards compliance, we may also be required to provide information to any institutions such as withholding agents for the purpose of ensuring appropriate withholding from the account or any proceeds in relation thereto. Groww Mutual Fund has taken appropriate measures in order to become FATCA and CRS compliant, with effect from the applicable date as per applicable laws / rules/ regulations. Groww Mutual Fund may also have to comply with other similar laws as and when applicable.

SEBI issued its circular no. CIR/MIRSD/2/2015 dated August 26, 2015 interalia advising intermediaries to take necessary steps to ensure compliance with the requirements specified in the rules and guidelines specified by the Government of India. AMFI also issued its best practices guidelines circular no. 63/2015-16 dated September 18, 2015 on this matter. The AMC and the Mutual Fund are required to adhere to various requirements interalia including submission of various information / details relating to the investors in the schemes of the mutual fund, to authorities, as specified under the applicable laws.

Accordingly, the following aspects need to be adhered to:

- With effect from November 1, 2015 all investors will have to mandatorily provide the information and declarations pertaining to FATCA/CRS for all new accounts opened, failing which the application / transaction request shall be liable to be rejected.
- For all new accounts opened by investors, from September 1, 2015 till October 31, 2015, MFs need to obtain relevant FATCA declarations. These details / certification need to be obtained by December 31, 2015, particularly in cases where, after Indicia search, a positive match is found with any US indicia. If self-certification is not provided by an investor or the reasonableness of self-certification cannot be confirmed, the account is treated as reportable.
- For accounts opened between July 1, 2014 and August 31, 2015, the Government of India vide its press release dated April 11, 2017 has required that all efforts should be made by the AMC to obtain the self-certification from the investor. Further, in case self-certifications are not provided by unit holders till April 30, 2017, the folios would be blocked, which would mean that the AMC would prohibit the unit holder from effecting any transaction with respect to such folios. For pre-existing accounts (as on December 31, 2015 in case of CRS and June 30, 2014 in case of FATCA), specific investors above specified threshold limits would be required to provide self-certification forms.

Prospective investors and Unit holders will therefore be required to comply with the request of the Fund to furnish such information / documentation / declarations as and when deemed necessary by the Investment Manager in accordance with Applicable Laws. In case prospective investor / Unit holder fails to furnish the relevant information / documentation / declarations in accordance with Applicable Laws, the Fund reserves the right to reject the application or redeem the Units held directly or beneficially and may also require reporting of such accounts and/or levy of withholding tax on payments made to the Unit holders / investor and/or take any other action/s in accordance with Applicable Laws. FATCA-CRS provisions are relevant not only at on-boarding stage of Unit holders but also throughout the life cycle of investment with the Fund. Unit holders therefore should immediately intimate to the Fund/the Investment Manager, any change in their status with respect to any FATCA-CRS related information / documentation / declarations provided by them previously, including but not limited to any declarations provided in respect of residency of the Unit holders for tax purposes. Further, if the Fund and/or the Investment Manager is required by Applicable Laws, to provide information regarding the Fund and/or the unit holders / investors to any regulatory authority and/or the Fund Investments and/or income therefrom, and the Fund and/or the Investment Manager complies with such request in good faith, whether or not it was in fact enforceable, they shall not be liable to the Unit holders / investors or to any other party as a result of such compliance or in connection with such compliance.

Prospective investors / Unit holders should consult their own advisors to understand the implications of FATCA-CRS provisions/requirements. Please note that Groww Mutual Fund will be unable to provide advice to any investor or counterparty about their tax status or FATCA/CRS classification relevant to their account. It is the responsibility of the investor or counterparty to ensure that they record their correct tax status / FATCA/ CRS classification. Investor/ counterparty may seek advice from their tax advisor in this regard. The onus to provide accurate, adequate and timely inputs in this regard would be that of the investor or counterparty. Any changes in earlier information provided must be intimated within 30 days of such change.

Investors are requested to provide all the necessary information / declarations to facilitate compliance, considering India's commitment to implement CRS and FATCA under the relevant international treaties.

The AMC reserves the right to change/modify the provisions mentioned above in response to any new regulatory development which may require to do so at a later date.

Non applicability Minimum Application Amount (Lump-sum) and Minimum Redemption amount SEBI vide its circular SEBI/HO/IMD/IMD-I/DOF5/P/CIR/2021/553 dated April 28, 2021 read along with SEBI/HO/IMD/IMD-IDOF5/P/CIR/2021/624 dated September 20, 2021 (Alignment of interest of Designated Employees of Asset Management Companies (AMCs) with the Unitholders of the Mutual Fund Schemes) has, inter alia mandated that a minimum of 20% of gross annual CTC net of income tax and any statutory contributions of the Designated Employees of Indiabulls Asset Management Company Ltd. shall be invested in units of the scheme(s) of Groww Mutual Fund in which they have a role/oversight.

II. INFORMATION ABOUT THE SCHEME

A. TYPE OF SCHEME

An open ended liquid scheme. A relatively low interest rate risk and moderate credit risk.

B. WHAT IS THE INVESTMENT OBJECTIVE OF THE SCHEME?

To provide a high level of liquidity with returns commensurate with low risk through a portfolio of money market & debt securities with maturity of upto 91 days. However, there can be no assurance that the investment objective of the Scheme will be achieved.

C. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

- **Groww Liquid Fund (formerly known as Indiabulls Liquid Fund)**

Instrument	Indicative Allocation (% of Net Assets)		Risk Profile Low/Med/High
	Min	Max	
Money market & Debt instruments with maturity up to 91 days (including floating rate debt instruments, securitized debt*)	0	100	Low to Medium

***securitized debt cumulative allocation not to exceed 15% of the net assets of the Scheme (No investment in foreign securitized debt). The residual maturity of securitized debt shall not exceed 91 days.**

Investment in Derivatives – upto 50% of the net assets of the Scheme. Investment in derivatives shall be strictly in compliance with SEBI Circular No. Cir/IMD/DF/11/2010 dated August 18, 2010.

The Fund shall not take any leveraged position. The total investments in the Fund including investment in debt, money market and other securities and gross exposure of derivatives, if any, shall not exceed 100% of the net assets under management in the scheme.

Pursuant to SEBI Circular No. SEBI/IMD/CIR No. 13/150975/09 dated January 19, 2009, the Scheme shall make investment in / purchase debt and money market securities with maturity of up to 91 days only.

Explanation:

a. In case of securities where the principal is to be repaid in a single payout, the maturity of the securities shall mean residual maturity. In case the principal is to be repaid in more than one payout then the maturity of the securities shall be calculated on the basis of weighted average maturity of the security.

b. In case of securities with put and call options (daily or otherwise) the residual maturity of the securities shall not be greater than 91 days.

c. In case the maturity of the security falls on a Non-business Day, then settlement of securities will take place on the next Business Day. The total debt derivative exposure will be restricted to 50% of the net assets of the Scheme.

The Scheme shall not invest in equity derivatives. Investment in derivatives shall be in compliance with SEBI Circular No. Cir/IMD/DF/11/2010 dated August 18, 2010.

The scheme shall not be investing in foreign securities and also the scheme shall not be engaging in any short-selling.

If permitted by SEBI under Regulations / guidelines, the Scheme may also engage in securities lending. The AMC shall comply with all reporting requirements and the Trustee shall carry out periodic review as required by SEBI guidelines. Securities lending means the lending of stock to another person or entity for a fixed period of time, at a negotiated compensation. The securities lent will be returned by the Borrower on expiry of the stipulated period.

The Investment Manager will apply the following limits, should it desire to engage in Securities lending:

Not more than 20% of the net assets of the Scheme can generally be deployed in securities lending; and

Not more than 5% of the net assets of the Scheme can generally be deployed in securities lending to any single counter party.

The Scheme may invest in repo/ reverse repo in corporate debt securities/Government Debt Securities up to 10% of the net assets of the Scheme.

Pending deployment of the funds as per the investment objective of the Scheme, the funds of the Scheme may be parked in short term deposits of the scheduled commercial banks, subject to the guidelines and limits specified by SEBI from time to time.

Subject to limits prescribed by SEBI, the maturity profile of the Scheme can undergo a change in case the market conditions warrant and at the discretion of the fund manager.

The Scheme may review the above pattern of investments based on views on interest rates and asset liability management needs. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme. Subject to the Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations, legislative amendments and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute. These proportions can vary substantially depending upon the perception of the fund manager; the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern will be for short term and for defensive considerations only. The rebalancing of the portfolio in accordance with the asset allocation pattern indicated above shall be done within a period of 15 days.

D. WHERE WILL THE SCHEME INVEST?

The corpus of the Scheme will be invested in money market & debt instruments with maturity up to 91 days which will include but not limited to:

- **TREPS** (Triparty repo dealing System)

TREPS is a discount instrument introduced by the Clearing Corporation of India Limited (CCIL). They can be traded like any other discount instrument. Lenders buy TREPS and borrowers sell TREPS. CCIL manages the risks inherent in issuing these securities through a system of margins and deposits that it takes from both lenders and borrowers. CBLOs can be issued/bought/sold for a minimum of one day to a maximum of 364 days

Certificate of Deposit (CD)

Certificate of Deposit (CD) is a negotiable money market instrument issued by scheduled commercial banks and select all-India Financial Institutions that have been permitted by the RBI to raise short term resources. The maturity period of CDs issued by the Banks is between 7 days to one year, whereas, in case of FIs, maturity is one year to 3 years from the date of issue.

Commercial Paper (CP)

Commercial Paper (CP) is an unsecured negotiable money market instrument issued in the form of a promissory note, generally issued by the corporates, primary dealers and all India Financial Institutions as an alternative source of short term borrowings. CP is traded in secondary market and can be freely bought and sold before maturity.

Reverse Repo

Reverse Repo is a transaction in which two parties agree to purchase and sell the same security with an agreement to sell or purchase the same security at a mutually decided future date and price. The transaction results in collateralized lending or borrowing of funds. Presently in India, G-Secs, State Government securities and T-Bills and Corporate Bonds with requisite ratings are eligible for Reverse Repo.

Treasury Bill (T-Bill): Treasury Bills (T-Bills) are issued by the Government of India or State Governments to meet their short term borrowing requirements. T-Bills are issued for maturities of 91 days, 182 days and 364 days. T-Bills are issued at a discount and for a fixed period.

Securities created and issued by the Central and State Governments as may be permitted by RBI, securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills). State Government securities (popularly known as State Development Loans or SDLs) are issued by the respective State Government in co-ordination with the RBI.

Non Convertible Debentures and Bonds

Non convertible debentures as well as bonds are securities issued by companies / Institutions promoted / owned by the Central or State Governments and statutory bodies which may or may not carry a Central/State Government guarantee, Public and private sector banks, all India Financial Institutions and Private Sector Companies. These instruments may be secured or unsecured against the assets of the Company and generally issued to meet the short term and long term fund requirements. The Scheme may also invest in the non convertible part of convertible debt securities.

Floating Rate Debt instruments

Floating rate debt instruments are instruments issued by Central / state governments, corporates, PSUs, etc. with interest rates that are reset periodically.

Pass Through Certificate (PTC)

(Pay through or other Participation Certificates) represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans. These loans are given by banks or financial institutions to corporates. PTCs may be backed, but not exclusively, by receivables of personal loans, car loans, two wheeler loans and other assets subject to applicable regulations.

Securitized Assets

Securitization is a structured finance process which involves pooling and repackaging of cashflow producing financial assets into securities that are then sold to investors. All assets can be securitized so long as they are associated with cash flows. A Pass Through Certificate (PTC) represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans. These loans are given by banks or financial institutions to corporates. PTCs may be backed, but not exclusively, by receivables of personal loans, car loans, two wheeler loans and other assets subject to applicable regulations.

A typical process of asset securitization involves sale of specific receivables to a Special Purpose Vehicle (SPV) set up in the form of a trust or a company. The SPV in turn issues financial instruments (promissory notes, participation certificates or other debt instruments) also referred to as Securitized Debt to the investors evidencing the beneficial ownership of the investors in the receivables. The financial instruments are rated by an independent credit rating agency.

The Scheme may invest in various type of securitisation issuances. The Scheme does not propose to limit its exposure to only one asset class or to have asset class based sub-limits as it will primarily look towards the credit rating of the offering.

Disclosures regarding investments in Securitised Debt:**1. How the risk profile of securitized debt fits into the risk appetite of the scheme?**

An evaluation procedure similar to that applied in analyzing plain vanilla debt (commercial paper, non convertible debentures and bonds) will be employed for analyzing securitized debt and assessing their suitability in line with investment objective of the scheme.

Normally, the risk of investing in securitized debts is similar to investing in debt securities. However as securitized debt involves staggered cash flows from underlying loans, there is always a risk of pre-payment of loan instalments by the ultimate borrower which may reduce the returns of the Scheme if the re-investment rates are lower than initially envisaged. The efforts will be made to identify and make investments in those assets which have maximum or bullet repayment on maturity.

The securitized debts have a relatively lower liquidity compared to other plain vanilla debt securities. Since we propose to restrict the investments in securitized debt to the extent specified above under respective schemes, we don't envisage any significant liquidity risk.

Securitized debts, typically offer higher yield than debt securities of similar rating and maturity due to the aforementioned additional risks. If the fund manager is of the view that the additional risks are suitably compensated by higher returns, then investments will be made in securitized debts subject to applicable limits.

The Scheme will predominantly invest only in those securitization issuances which have at least an investment grade credit rating indicating high level of safety from the credit risk point of view at the time of making an investment.

2. Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc

The Originator is the entity who has initially given the loan and transferred the receivables to a SPV, The Scheme shall invest in those securitized debts, whose Originator is a Corporate Entity, being a Bank or an NBFC. Before entering into any securitization transaction, the risk is assessed based on the information generated from the following sources:

(a) Track record – This is a key parameter that we consider at the time of analyzing the transaction. Originators with long track record of operation lend a greater degree of comfort, as they have a longer operating credit history which can be assessed. The track-record would vary depending on the obligor/ originator. Further the track-record of having undertaken such transactions are also evaluated. Most of the entities which undertake such transactions in the Indian market have both a long track-record of operations and a history of having undertaken securitization transactions.

(b) Willingness to pay, through credit enhancement facilities etc. – In this case the stand alone credit assessment of the obligor is carried out to indicate the overall financial health. In the case of retail pool securitization transactions, credit enhancement levels offered at the start and the overall utilization levels during the tenor of the transaction is analyzed to reflect the credit comfort and cushion available.

(c) Ability to pay- this is the outcome of the stand-alone credit assessment of the issuer which is arrived after analyzing the income statement and balance sheet of the obligor. This aspect is the key

in the case of single loan sell down transactions, since the final repayment is to be made by the obligor and is directly dependent on its overall financial health. This aspect is also usually reflected in the stand-alone credit rating of the company which primarily captures the credit risk i.e the ability to honour financial obligations to lenders in a timely fashion.

(d) Business risk assessment, wherein following factors are considered:

- Outlook for the economy (domestic and global) – this forms part of the usual credit assessment and the macro analysis. This will have impact on the business risk of the obligor.
- Outlook for the industry – external risks are analyzed here and their impact on the business risk is analyzed. Opportunities and threats as part of the swot analysis are analyzed.
- Company specific factors – the strengths and weaknesses of the company are critically analyzed here

In addition **a detailed review and assessment of rating rationale** is done including interactions with the company as well as agency - The latest rating assessment report is studied to understand the key strengths and risks faced by the issuer/obligor. It has been our practice to discuss the rating report with the rating agency in order to understand the finer credit aspects and the impact it could have on the financial health and rating. As part of the due diligence, we also hold discussions with the obligors / originators which help in getting a better insight into their background.

Critical Evaluation Parameters (for pool loan and single loan securitization transactions) regarding the originator / underlying issuer is as follows:

Default track record/ frequent alteration of redemption conditions / covenants – all transaction conditions and covenants are analyzed to examine any flexibility available to the obligor/originator to alter the terms and conditions which can impact the investor position. If any of these conditions are un-favourable, then these are negotiated / altered at the start of the transaction.

High leverage ratios of the ultimate borrower (for single-sell downs) – both on a standalone basis as well on a consolidated level/ group level – financial analysis of balance sheet and income sheet ratios forms critical part of credit analysis, since factors such as gearing will determine both the credit rating as well as debt servicing and final repayment. High gearing also may limit the ability of the obligor to seek additional funding from the market on a timely basis to meet any maturing obligations. Hence this aspect is very crucial in the analysis.

Higher proportion of rescheduling of underlying assets of the pool or loan, as the case may be –we analyze the pool at start to ensure that there are no major rescheduled assets within the pool, since any deterioration of such assets could weaken the pool's overall asset quality and could lead to higher credit enhancement utilization.

Higher proportion of overdue assets of the pool or the underlying loan, as the case may be – quality of the retail pool at start is important as it could have a significant impact on the pool's performance during its tenor.

Poor reputation in market - originators /obligors with poor reputation and/or financial health are usually discarded during our credit evaluation, since asset quality could quickly deteriorate in some cases which could impair debt servicing and repayment. Further, such obligors would also find it difficult to tap the market to raise funds if needed to meet any maturing financial obligations.

Insufficient track record of servicing of the pool or the loan, as the case may be – since we critically assess track-record of operations of the obligor/originator, any shortfall in this parameter would be captured in our analysis. We usually prefer obligors / originators with reasonable operating history since it offers adequate credit history for purpose of credit analysis.

3. Risk mitigation strategies for investments with each kind of originator

(a) Size and reach of the originator – different originators have varying levels of reach and access. Besides, different originators operate in different geographies and consumer segments. Also the asset classes that they originate could be different depending on their target profitability, risk tolerance levels and support infrastructure for disbursing loans and making recoveries and collections. We usually look for originators possessing fair degree of diversification in their operation (metros/ semi urban and rural markets), asset classes (collateralized assets are preferred such as cars, commercial vehicles, construction equipment etc.) and with a fairly robust collection infrastructure. Most of the regular names that we invest comply with these requirements.

(b) Collection process, infrastructure and follow-up mechanism – we usually prefer originators who possess in-house capabilities and infrastructure as regards disbursements, collections and recoveries since it has been historically proven that such entities usually exhibit better asset quality in the long run. Most of the originators in our universe fall in this category.

(c) Quality of MIS – data quality and timely availability is critical in the asset financing business. We stress on this aspect and look for entities which have robust MIS and have networked branches so that MIS generation is faster, efficient and senior management is in a position to take timely decisions.

(d) Credit enhancement for different type of originator – this varies between originators and is usually determined and specified by the originator. The rating agency usually established the base case losses for the originator and for the specific asset category and then applies a stress factor depending on their own assessment of the originators financial health, and other strengths and weaknesses as also the prevailing macroeconomic factors which can impact overall asset quality.

4. The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments

Following framework will be applied while evaluating investment decision relating to a pool securitization transaction:

Characteristics/ Type of Pool	Mortgage Loan#	CV & CE	Cars	2 Wheelers	Micro Finance Pools @	Personal Loans	Single Sell Downs
Approximate Average maturity (in Months)*	36-72	12-30	12-30	12-18	3-15	12-24	12-24

Collateral margin (including cash guarantees, excess interest spread, subordinate tranche)	Min : 10	5-25	5-25	Min : 15	Min : 10	Min : 15	-
Average Loan to Value Ratio (%)	70-90	65-85	65-85	50-75	60-85	NA	-
Average seasoning of the Pool (months)	6-12	3-6	3-6	3-6	1-3	3-6	-
Maximum single exposure range%	5-15	5-15	5-15	5-10	5-15	5-10	5-15
Average single exposure range %	10	10	10	7.5	10	7.5	10

1. Kindly note that these are indicative ranges and final figures could vary depending upon the overall characteristics of the transaction and market conditions.
2. Also since most of the transactions are composite in nature i.e. they have more than one asset class the actual cash level would be finalized based on the final mix.
3. Mortgage loans are usually not clubbed with other asset classes since the average tenors are different for these asset classes. Hence mortgage loan pools are usually issued separately. Hence we have indicated 15 % under this asset class.
4. Micro finance pools are also issued separately and not clubbed with other asset classes. Hence we have indicated 15% under Micro Finance pools under maximum exposure.
5. The percentages indicated in the table above is with reference to investments in securitized debt instruments, subject to investment restrictions as per the regulations.
6. The scheme shall invest in securitized debt instruments maturing on or before the maturity of the scheme.

CV: Commercial Vehicles

CE: Construction Equipment

Risk Mitigating Measures:

- a) Size of the loan – the overall fund raising plan of the obligor / originator is examined to assess the impact it would have on overall gearing and debt servicing
- b) Average original maturity of the pool –This is also important from a point of indicating how quickly the pool will liquidate as the underlying assets mature and pay-off. This parameter would impact interest rate sensitivity of the security.

c) Loan to Value Ratio – the LTV varies from issuer to issuer and also within asset classes. Based on our past experience and empirical data, we examine the LTV levels, since these have a critical link to the final recoveries in the case of default.

d) Average seasoning of the pool - this may also vary between originators. Higher seasoning at the start will offer better visibility on future delinquencies. Pools with higher average seasoning which depict low delinquencies usually tend to have satisfactory asset quality over the life of the transaction. We prefer to invest in pools which have average seasoning of at least 3-4 months at the start since any early delinquencies can be removed at the time of pool finalization.

e) Default rate distribution – this is studied using empirical data for the originator. This is also a critical data used by the rating agency in determining the credit enhancement levels to be stipulated.

f) Geographical Distribution – all pools usually have assets which are geographically diversified, since this reduces the default risk.

g) Credit enhancement facility – very critical especially in the case of retail pools since delinquencies and final asset losses are absorbed using cash so that there is no shortfall in investor servicing.

h) Liquid facility – in some cases in addition to the credit enhancement facility there is also a liquidity facility available which is useful to meet any shortfalls arising from delayed collections (delinquencies) in the pool. If an explicit liquidity facility is not provided in the transaction, then the credit enhancement facility is used for the said purpose. Note however that the liquidity facility is only available to be used for standard assets i.e. assets wherein the days past due do not exceed 90.

i) Structure of the pool – we will invest in both single loan securitization transactions and retail pool securitization transactions. Single loan securitization transactions will essentially be loans which are repackaged as pass through certificates (PTCs) and sold to potential investors. These may be collateralized i.e. backed by certain fixed assets of the issuers. In the case of retail pool securitization transactions, we will have underlying retail loans from various asset classes such as cars, CVs, construction equipment etc.

The above framework including the above mentioned risk mitigating measures will be applied at the time of analyzing pool PTC transactions. In the case of composite PTC pools i.e. pools with more than one asset class, each of the asset categories will be assessed separately in order to arrive at the overall risk profile of the composite pool.

5. Minimum retention period of the debt by originator prior to securitization

There is usually no stipulation on the minimum retention period of debt by the originator in the case of single loan PTCs. We follow usual investment guidelines in evaluating the eligibility of the security for our portfolios. This is in compliance with extant regulations on securitization.

In the case of ABS securities (pool PTCs), assets are usually sold down by the originators after a period of 1-2 months from their date of origination. This helps in identifying any delinquencies in these assets and creating a high quality pool.

RBI governs the issuance of securitized debts in India. It has formulated guidelines for minimum retention period. Depending on the tenor of the securitized assets and the type of repayment schedule viz. periodic repayment or bullet repayment, nine or twelve months have been prescribed as the minimum retention period before the assets can be securitised.

6. Minimum retention percentage by originator of debts to be securitized

Our investment decisions are based on our independent assessment of the credit risk/other risks specific to the transaction. Minimum retention percentage of the debt securitized by the originator is usually not stipulated.

RBI has prescribed the minimum retention percentage as 5% or 10% of the book value of the loans being securitised depending on the original maturity of the loans and the features of the securitisation transaction.

7. The mechanism to tackle conflict of interest when the mutual fund invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme of the fund

All investment decisions are led by stand-alone assessments of the securities (PTC) from a credit, liquidity and market risks amongst others. Our internal process and reporting platforms are designed to ensure complete independence of the credit research & investment process from sales business.

8. In general, the resources and mechanism of individual risk assessment with the AMC for monitoring investment in securitized debt

The fund management team has the required experience to analyse and monitor investments in securitised debts. On an on-going basis the rating movement of the securitised debts will be monitored. Credit research agencies also provide analysis of individual instruments and pools. The periodic reports received by the AMC on pool performance will be scanned to check for any change in asset quality and related impact on debt servicing and any impact that it can have on the credit ratings.

E. WHAT ARE THE INVESTMENT STRATEGIES?

For Groww Liquid Fund:

The Fund shall be managed according to the Investment Objective - to generate returns commensurate with the low risk of the portfolio. This scheme is positioned to meet the needs of those investors who want to deploy their funds for a short period of time with the least amount of risk. The returns would match the levels of risk taken in the portfolio.

The composition of the Indian Debt market (both the primary and secondary) is dominated by money market instruments in the short end of the yield curve and by medium and long term bonds and debentures in the long end of the curve. Since the objective of the scheme is generate reasonable returns with the least commensurate risk, the scheme would predominantly invest in money market instruments. As the turnover of the portfolio would be high, given the fact the investors in a liquid fund would deploy their funds for a short period of time, the portfolio would be structured to incorporate high liquidity by the use of cash and cash equivalents.

The yield curve in the short end (overnight to 3 months) of the curve tends to remain flat with the least amount of volatility. In such a scenario, the fund manager would make attempts to invest the scheme proceeds uniformly across all the maturity buckets. The investment team would carry out rigorous in depth credit evaluation of the money market and debt instruments the scheme proposes to invest in. The credit evaluation will essentially be a bottom up approach and include a study of the operating environment of the issuer, the past track record as well as the future prospects of the issuer and the short term / long term financial health of the issuer.

Derivatives Strategy:

The Scheme may use Derivative instruments like interest rate swaps like Overnight Indexed Swaps ("OIS"), forward rate agreements, interest rate futures (as and when permitted) or such other Derivative instruments as may be permitted under the applicable regulations. . Investments in Derivatives shall strictly be in compliance with the SEBI Circular No. Cir/IMD/DF/11/2010 dated August 18, 2010. Derivatives will be used for the purpose of hedging, and portfolio balancing or such other purpose as may be permitted under the regulations and Guidelines from time to time.

The Fund will be allowed to take exposure in interest rate swaps only on a non-leveraged basis. A swap will be undertaken only if there is an underlying asset in the portfolio. In terms of Circular No. MFD.BC.191/07.01.279/1999-2000 andMPD.BC.187/07.01.279/1999-2000 dated November 1, 1999 and July 7, 1999 respectively issued by RBI permitting participation by Mutual Funds in interest rate swaps and forward rate agreements, the Fund will use Derivative instruments for the purpose of hedging and portfolio balancing. In case of Interest Rate Swaps, the exposure to a single counter-party shall not exceed 10% of the net assets of the scheme.

The Fund may also use derivatives for such purposes as maybe permitted from time to time. Further, the guidelines issued by RBI from time to time for forward rate agreements and interest rate swaps and other derivative products would be adhered to by the Mutual Fund.

IRS and FRA do also have inherent credit and settlement risks. However, these risks are substantially reduced as they are limited to the interest streams and not the notional principal amounts.

Investments in Derivatives will be in accordance with the extant Regulations / guidelines. Presently Derivatives shall be used for hedging and / or portfolio balancing purposes, as permitted under the Regulations. The circumstances under which such transactions would be entered into would be when, for example using the IRS route it is possible to generate better returns / meet the objective of the Scheme at a lower cost. e.g. if buying a 2 Yr Mibor based instrument and receiving the 2 Yr swap rate yields better return than the 2 Yr AAA corporate, the Scheme would endeavor to do that. Alternatively, the Scheme would also look to hedge existing fixed rate positions if the view on interest rates is that it would likely rise in the future.

The following information provides a basic idea as to the nature of the Derivative instruments proposed to be used by the Fund and the benefits and risks attached therewith. Please note that the examples have been given for illustration purposes only.

Using Overnight Indexed Swaps

In a rising interest rate scenario, the Scheme may enhance returns for the Investor by hedging the risk on its fixed interest paying assets by entering into an OIS contract where the Scheme agrees to pay a fixed interest rate on a specified notional amount, for a predetermined tenor and receives floating interest rate payments on the same notional amount. The fixed returns from the Scheme assets and the fixed interest payments to be made by the Scheme on account of the OIS transaction offset each other and the Scheme benefits on the floating interest payments that it receives. The Scheme may enter into an opposite position in case of a falling interest rate scenario, i.e. to hedge the floating rate assets in its portfolio the Scheme enters into an OIS transaction wherein it receives a fixed interest rate on a specified notional amount for a specified time period and pays a floating interest rate on the same notional amount. The floating interest payments that the Scheme receives on its floating rate securities and the floating interest payments that the Scheme has to pay on account of the OIS transaction offset each other and the Scheme benefits on the fixed interest payments that it receives in such a scenario.

Swap

Assume that the Scheme has a Rs. 20 crore floating rate investment linked to MIBOR (Mumbai Inter Bank Offered Rate). Hence, the Scheme is currently running an interest rate risk and stands to lose if the interest rate moves down. To hedge this interest rate risk, the Scheme can enter into a 6 month MIBOR swap. Through this swap, the Scheme will receive a fixed predetermined rate (assume 10%) and pays the “benchmark rate”(MIBOR), which is fixed by the NSE (“National Stock Exchange of India Limited”) or any other agency such as Reuters. This swap would effectively lock-in the rate of 10% for the next 6 months, eliminating the daily interest rate risk. This transaction is usually routed through an intermediary who runs a book and matches deals between various counterparties. The steps will be as follows:

Assuming the swap is for Rs. 20 Crores for November 1, 2013 to May 1, 2014. The Scheme is a fixed rate receiver at 10% and the counterparty is a floating rate receiver at the overnight rate on a compounded basis (say NSE MIBOR).

On November 1, 2013 the Scheme and the counterparty will exchange only a contract of having entered this swap. This documentation would be as per International Swap Dealers Association (“ISDA”) norms.

On a daily basis, the benchmark rate fixed by NSE will be tracked by them.

On May 1, 2014 they will calculate the following:

The Scheme is entitled to receive interest on Rs. 20 Crores at 10% for 181 days i.e. Rs.99.18 lakhs, (this amount is known at the time the swap was concluded) and will pay the compounded benchmark rate.

The counterparty is entitled to receive daily compounded call rate for 181 days & pay 10% fixed.

On May 1, 2014, if the total interest on the daily overnight compounded benchmark rate is higher than Rs. 99.18 lakhs, the Scheme will pay the difference to the counterparty. If the daily compounded benchmark rate is lower, then the counterparty will pay the Scheme the difference.

Effectively the Scheme earns interest at the rate of 10% p.a. for six months without lending money for 6 months fixed, while the counterparty pays interest @ 10% p.a. for 6 months on Rs. 20 Crores, without borrowing for 6 months fixed.

The above example illustrates the use of Derivatives for hedging and optimizing the investment portfolio. Swaps have their own drawbacks like credit risk, settlement risk. However, these risks are substantially reduced as the amount involved is interest streams and not principal.

Forward Rate Agreement

Assume that April 01, 2014, the 30 day commercial paper (CP) rate is 8% and the Scheme has an investment in a CP of face value Rs. 50 Crores, which is going to mature on May 01, 2013. If the interest rates are likely to remain stable or decline after May 01, 2014, and if the fund manager, who wants to re-deploy the maturity proceeds for 1 more month does not want to take the risk of interest rates going down, he can then enter into a following Forward Rate Agreement (FRA) say as on April 01, 2014:

He can receive 1 X 2 FRA on April 01, 2014 at 8.00 % (FRA rate for 1 months lending in 1 months time) on the notional amount of Rs. 50 Crores, with a reference rate of 30 day CP benchmark. If the CP benchmark on the settlement dates i.e. May 01, 2013 falls to 7.00%, then the Scheme receives the difference 8.00 – 7.00 i.e. 100 basis points on the notional amount Rs. 50 Crores.

Interest Rate Futures

Assume that the Fund holds an Indian ten year benchmark and the fund manager has a view that the yields will go up in the near future leading to decrease in value of the investment and subsequent decrease in Net Asset Value (NAV) of the fund. The fund house decides to use Interest Rate Futures to mitigate the risk of decline of Net Asset Value (NAV) of the fund.

12th April 2014

The benchmark ten year paper 7.80 2023, is trading at INR 100.00 at a yield of 7.80%. June 2014 futures contract on the ten year notional 7.80% coupon bearing Government paper is trading at a yield of 8.00% at a price of INR 98.75.

The mutual fund decides to hedge the exposure by taking a short position in June 2014 interest rate futures contract.

24th June 2014

The yield of the benchmark ten year paper has increased to 8.10% and the price has decreased to 98.15

The June 2014 futures contract is trading at a price of INR 97.25 indicating a yield of 8.25%. The mutual fund unwinds the short position by buying the June 2014 futures contract. The transaction results in profit from the futures position, against the corresponding loss from the Government of India security position.

Certain risks are inherent to Derivative strategies viz. lack of opportunities, inability of Derivatives to correlate perfectly with the underlying and execution risks, whereby the rate seen on the screen may not be the rate at which the transaction is executed. For details of risk factors relating to use of Derivatives, the investors are advised to refer to Scheme Specific Risk Factors.

Portfolio Turnover:

The Scheme being an open-ended Scheme, it is expected that there would be a number of Subscriptions and Redemptions on a daily basis. Further, in the debt market, trading opportunities may arise due to changes in system liquidity, interest rate policy announced by RBI, shifts in the yield curve, credit rating changes or any other factors. In the opinion of the fund manager these opportunities can be played out to enhance the total return of the portfolio, which will result in increase in portfolio turnover. There may be an increase in transaction cost such as brokerage paid, if trading is done frequently. However, the cost would be negligible as compared to the total expenses of the Scheme. Frequent trading may increase the profits which will offset the increase in costs. The fund manager will endeavor to optimize portfolio turnover to maximize gains and minimize risks keeping in mind the cost associated with it. However, it is difficult to estimate with reasonable measure accuracy, the likely turnover in the portfolio of the Scheme. The Scheme has no specific target relating to portfolio turnover.

Investment Decision making process:

The Fund Managers shall take a view on the broad direction of the markets including interest rate outlook. Fund Managers shall have the responsibility of individual security analysis, while the dealers shall execute the trading mandates with a view to obtaining the best execution in terms of price and quantity. The Fund Managers, while buying / selling securities for a particular scheme shall take into account the following main factors:

1. Interest Rate Outlook
2. Compliance with SEBI Guidelines
3. Risk Management Guidelines
4. Yield to Maturity of the instrument
5. Yield curve analysis

6. Liquidity of the instrument
7. Credit Rating
8. Credit spreads

Credit Research and Monitoring of Money Market and Debt Instruments:

The investment team will look at each issue in detail; the following broad framework shall help the team in managing the funds. Following are the key aspects of the process:

1. Creation and Maintenance of an Investment Universe
2. In-house credit appraisal
3. Tier system of monitoring
4. Exposure Norms

RISK CONTROL:

The asset allocation of the Scheme will be steadily monitored and it shall be ensured that investments are made in accordance with the scheme objective and within the regulatory and internal investment restrictions prescribed from time to time.

A detailed monitoring process has been designed to identify, measure, monitor and manage portfolio risk. The aim is to have a structured mechanism towards risk management thereby maximising potential opportunities and minimising the adverse effects of risk. Effective risk management is crucial for achieving optimum results. Adequate safeguards would be incorporated in the portfolio management process. The main instrument for reducing risk is through diversification across sectors/companies/ securities. The Fund Manager's job is to identify securities which offer higher returns with a lower level of risk. While identifying such securities, rigorous credit evaluation would be carried out by the investment team. The front office system of the AMC has the capability of pre- investment monitoring of investment restrictions as per SEBI guidelines and various internal limits prescribed from time to time to facilitate pre-emptive monitoring. The AMC will be guided by the ratings of Credit Rating Agencies authorised to carry on such activity. Further various risk management tools will be used for measuring and monitoring portfolio risks.

INVESTMENT BY THE AMC IN THE SCHEME

Subject to the Regulations, the AMC may invest either directly or indirectly, in the Scheme during the NFO and/or Ongoing Offer Period. However, the AMC shall not charge any investment management fee on such investment in the Scheme.

DEBT AND MONEY MARKETS IN INDIA

The Indian debt market is today one of the largest in Asia and includes securities issued by the Government (Central & State Governments), public sector undertakings, other government bodies, financial institutions, banks and corporate. Government and public sector enterprises are the predominant borrowers in the markets. Securities in the debt market typically vary based on their tenure and rating. The major players in the Indian debt markets today are banks, financial institutions, mutual funds, insurance companies, primary dealers, trusts, pension funds and corporate. The Indian debt market is the largest segment of the Indian financial markets. The debt market comprises broadly two segments, viz. Government

Securities market or G-Sec market and corporate debt market. The latter is further classified as market for PSU bonds and private sector bonds.

The Government Securities market is the oldest and the largest component of the Indian debt market in terms of market capitalization, outstanding securities and trading volumes. The G-Sec market plays a vital role in the Indian economy as it provides the benchmark for determining the level of interest rates in the country through the yields on the Government Securities which are referred to as the risk-free rate of return in any economy. Over the years, there have been new products introduced by the RBI like zero coupon bonds, floating rate bonds, inflation indexed bonds, etc. The corporate bond market, in the sense of private corporate sector raising debt through public issuance in capital market, is only an insignificant part of the Indian Debt Market. A large part of the issuance in the non-Government debt market is currently on private placement basis.

The money markets in India essentially consist of the call money market (i.e. market for overnight and term money between banks and institutions), reverse repo transactions (temporary sale with an agreement to buy back the securities at a future date at a specified price), commercial papers (CPs, short term unsecured promissory notes, generally issued by corporate), certificate of deposits (CDs, issued by banks) and Treasury Bills (issued by RBI) and similar securities. In a predominantly institutional market, the key money market players are banks, financial institutions, insurance companies, mutual funds, primary dealers and corporate. In money market, activity levels of the Government and non government debt vary from time to time.

Apart from these, there are some other options available for short tenure investments that include MIBOR linked debentures with periodic exit options and other such instruments. PSU / DFI / Corporate paper with a residual maturity of less than 1 year are actively traded and offer a viable investment option.

Following table exhibits various debt instruments along with current yields as on May 25, 2023

Instrument	Yield Range (% per annum)
TREPS	6.26%
Repo	6.28%
91 days T-Bill	6.75%
364 days T-Bill	6.90%
1 month CD/CP	6.65% - 6.80%

F. FUNDAMENTAL ATTRIBUTES

Following are the Fundamental Attributes of the Scheme, in terms of Regulation 18 (15A) of the SEBI (MF) Regulations:

Type of a Scheme – An open ended liquid scheme. A relatively low interest rate risk and moderate credit risk.

(i) **Investment Objective** – Please refer Section ‘HIGHLIGHTS/ SUMMARY OF THE SCHEME’.

(ii) **Terms of Issue**

- Liquidity provisions such as listing, Repurchase, Redemption

The Units of the Scheme are not proposed to be listed on any stock exchange. However, the Trustee reserves the right to list the Units as and when this Scheme is permitted to be listed under the Regulations and the Trustee considers it necessary in the interest of Unit holders of the Fund. The Scheme offers Units for subscription and redemption at NAV based prices on all Business Days on an ongoing basis, commencing not later than five business days from the date of allotment. Under normal circumstances the AMC shall dispatch the Redemption proceeds within 10 Business Days from date of receipt of valid redemption request from the Unit holder.

- Aggregate fees and expenses charged to the scheme

The aggregate fees and expenses charged to the Scheme will be in line with the limits defined in the SEBI (MF) Regulations as amended from time to time. The aggregate fee and expenses to be charged to the Scheme is detailed in Section IV of this document.

- Any safety net or guarantee provided

The Scheme does not provide any safety net or guarantee nor does it provide any assurance regarding the realization of the investment objective of the scheme or in respect of declaration of IDCW.

In accordance with Regulation 18(15A) of the SEBI (MF) Regulations, the Trustee shall ensure that no change in the fundamental attributes of the Scheme(s) and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme(s) and the Plan(s) / Option(s) there under and affect the interests of Unitholders is carried out unless:

- A written communication about the proposed change is sent to each Unit holder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
- The Unit holders are given an option for a period of 30 days to exit at the prevailing Net Asset Value without any exit load.
- An addendum to the existing SID shall be issued and displayed on AMC website immediately.
- SID shall be revised and updated immediately after completion of duration of the exit option (not less than 30 days from the notice date).

G. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

CRISIL Liquid Debt B-I Index

The Scheme intends to invest in a portfolio of instruments which is best captured by CRISIL Liquid Debt B-I Index. CRISIL Liquid Debt B-I Index is a realistic estimate to track the returns of a Liquid Fund at a particular return and risk level and hence is used as a benchmark by most market participants.

The Trustee reserves the right to change the benchmark for the evaluation of the performance of the Scheme from time to time, keeping in mind the investment objective of the Scheme and the appropriateness of the benchmark, subject to the Regulations and other prevalent guidelines.

I. WHAT ARE THE INVESTMENT RESTRICTIONS?

Pursuant to Regulations, specifically the Seventh schedule and amendments thereto, the following investment restrictions are currently applicable to the Scheme:

1) A mutual fund scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorized to carry out such activity under the Act. Such investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and the Board of directors of the asset management company: Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and TREPS. Provided further that investment within such limit can be made in mortgaged backed securitized debt which are rated not below investment grade by a credit rating agency registered with SEBI.

Further, in accordance with the SEBI circular no. SEBI/HO/IMD/IMD-1DOF2/P/CIR/2022/164 dated November 29, 2022 as amended from time to time, the scheme shall not invest more than:

- a. 10% of its NAV in debt and money market securities rated AAA; or
- b. 8% of its NAV in debt and money market securities rated AA; or
- c. 6% of its NAV in debt and money market securities rated A and below issued by a single issuer.

Above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit.

Provided that such limit shall not be applicable for investments in government securities, treasury bills and collateralized borrowing and lending obligations.

2) The Scheme shall not invest more than 10% of its NAV in un-rated debt instruments issued by a single issuer and the total investment in such instruments shall not exceed 25% of

the NAV of the Scheme. All such investments shall be made with the prior approval of the Trustee and Board of AMC.

3) The Scheme may invest in other schemes of the Mutual Fund or any other mutual fund (restricted to only debt and liquid funds) without charging any fees, provided the aggregate inter-scheme investment made by all the schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the Net Asset Value of the Mutual Fund.

4) The scheme shall not make any investment in

i) Any unlisted security of an associate or group company of the sponsor

ii) Any security issued by way of private placement by an associate or group company of the sponsor; or

iii) The listed securities of group companies of the sponsor which in excess of 25% of net assets.

5) The Mutual Fund shall get the securities purchased transferred in the name of the Fund on account of the concerned Scheme, wherever investments are intended to be of a long-term nature.

6) Transfer of investments from one scheme to another scheme in the same Mutual Fund is permitted provided:

i) such transfers are done at the prevailing market price for quoted instruments on spot basis (spot basis shall have the same meaning as specified by a Stock Exchange for spot transactions); and

ii) the securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.

iii) IST purchases would be allowed subject to guidelines as specified in SEBI circular SEBI/HO/IMD/DF4/CIR/P/2020/202 dated October 08, 2020.

7) The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:

8) The Mutual Fund may enter into Derivatives transactions in a recognized stock exchange, subject to the framework specified by SEBI.

9) The sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the RBI in this regard.

10) The Scheme shall not make any investment in any fund of funds scheme.

11) Pending deployment of the funds of the Scheme in securities in terms of the investment objective of the Scheme, the AMC may park the funds of the Scheme in short term deposits of scheduled commercial banks, subject to the guidelines issued by SEBI vide its circular dated April 16, 2007 as may be amended from time to time:

11.1. The Scheme will comply with the following guidelines/restrictions for parking of funds in short term deposits:

11.2. “Short Term” for such parking of funds by the Scheme shall be treated as a period not exceeding 91 days. Such short-term deposits shall be held in the name of the Scheme.

11.3. The Scheme shall not park more than 15% of the net assets in short term deposit(s) of all the scheduled commercial banks put together. However, such limit may be raised to 20% with prior approval of the Trustee.

11.4. Parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.

11.5. The Scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.

11.6. The Scheme shall not park funds in short term deposit of a bank which has invested in that Scheme.

However, the above provisions will not apply to term deposits placed as margins for trading in cash and Derivatives market.

12) The Fund shall not borrow except to meet temporary liquidity needs of the Fund for the purpose of Repurchase/Redemption of Unit or payment of interest and/or IDCW to the Unit holder. The Fund shall not borrow more than 20% of the net assets of the individual Scheme and the duration of the borrowing shall not exceed a period of 6 months.

13) As per the SEBI circular no. CIR/IMD/DF/21/2012 dated September 13, 2012, SEBI/HO/IMD/DF2/CIR/P/2016/35 dated February 15, 2016 and SEBI/HO/IMD/DF2/CIR/P/2019/104 dated October 01, 2019, the total exposure of debt schemes in a particular sector (excluding investments in Bank CDs, TREPS, G-Secs, TBills and AAA rated securities issued by Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the scheme.

Provided that an additional exposure to financial services sector (over and above the limit of 20%) not exceeding 10% of the net assets of the scheme shall be allowed by way of increase in exposure to Housing Finance Companies (HFCs) only. Further, an additional exposure of 5% of the net assets of the scheme has been allowed for investments in securitized debt instruments based on retail housing loan portfolio and/or affordable housing loan portfolio.

Provided further that the additional exposure to such securities issued by HFCs are rated AA and above and these HFCs are registered with National Housing Bank (NHB) and the total investment/ exposure in HFCs shall not exceed 20% of the net assets of the scheme.

For the purpose of identifying sector, AMFI sector definitions shall be referred to. For unlisted / non traded securities, where sector classification does not exist, AMC will have the discretion to decide the classification as per their best judgment.

The Schemes will comply with the other Regulations applicable to the investments of Mutual Funds from time to time.

All the investment restrictions will be applicable at the time of making investments.

Apart from the Investment Restrictions prescribed under the Regulations, internal risk parameters for limiting exposure to a particular scrip or sector may be prescribed from time to time to respond to the dynamic market conditions and market opportunities.

The AMC/Trustee may alter these above stated restrictions from time to time to the extent the Regulations change, so as to permit the Scheme to make its investments in the full spectrum of permitted investments for mutual funds to achieve its respective investment objective.

14. The Scheme shall not invest in unlisted debt instruments including commercial papers, except Government Securities and other money market instruments.

- Provided that the Scheme may invest in unlisted nonconvertible debentures up to a maximum of 10% of the debt portfolio of the Scheme subject to such conditions as may be specified by SEBI from time to time.
- Provided further that the Scheme shall comply with the norms under the above clauses within the time and in the manner as may be specified by SEBI.
- Provided further that the norms for investments by the Scheme in unrated debt instruments shall be as specified by SEBI from time to time.

As per these norms, investments in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. by mutual fund schemes shall not exceed 5% of net assets of the Scheme.

Further, the Scheme shall comply with provisions of SEBI Circular No. SEBI/HO/IMD/DF2/ CIR/P/ 2019/104 dated October 1, 2019 regarding investment in Debt and Money Market Instruments, as amended from time to time, to the extent applicable to the Scheme.

15. The Scheme shall invest in Debt instruments having Structured Obligations/ Credit Enhancements in accordance with provisions of SEBI Circular No. SEBI/HO/IMD/DF2/CIR/P/ 2019/104 dated October 1, 2019 as may be amended by SEBI from time to time. The same are currently as under:

The investment of the Scheme in the following instruments shall not exceed 10% of the debt portfolio of the scheme and the group exposure in such instruments shall not exceed 5% of the debt portfolio of the Scheme:

- a. Unsupported rating of debt instruments (i.e. without factoring-in credit enhancements) is below investment grade; and

- b. Supported rating of debt instruments (i.e. after factoring-in credit enhancement) is above investment grade.

For this purpose, a group means a group as defined under regulation 2 (mm) of the Regulations and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.

However the above Investment limits shall not be applicable on investments in securitized debt instruments, as defined in SEBI (Public Offer and Listing of Securitized Debt Instruments) Regulations 2008.

Investment in debt instruments, having credit enhancements backed by equity shares directly or indirectly, shall have a minimum cover of 4 times considering the market value of such shares.

- 16. The Scheme shall not invest more than 20% of its net assets in a group (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks). Such investment limit may be extended to 25% of the net assets of the Scheme with the prior approval of the Trustees.

Provided that investments by the Scheme in debt and money market instruments of group companies of both the sponsor and the asset management company shall not exceed 10% of the net assets of the Scheme. Such investment limit may be extended to 15% of the net assets of the Scheme with prior approval of the Board of Trustees.

For this purpose, a group means a group as defined under regulation 2 (mm) of the Regulations and shall include an entity, its subsidiaries, fellow subsidiaries, its holding company and its associates.

Options offered	<p>The Scheme offers the following Options under Direct Plan &Regular Plan:</p> <p><input type="checkbox"/> Growth option</p>																																				

☐ IDCW option

The IDCW Option has the following facilities:

☐ IDCW Reinvestment Facility

Name of the Scheme	IDCW Reinvestment Frequency
Groww Liquid Fund (formerly known as Indiabulls Liquid Fund)	Daily, Weekly, Fortnightly & Monthly

☐ IDCW Pay-out Facility

Name of the Scheme	IDCW Pay-out Frequency
Groww Liquid Fund (formerly known as Indiabulls Liquid Fund)	Weekly, Fortnightly & Monthly

The investors should indicate the option/facility for which Subscription is made by indicating the choice in the appropriate box provided for this purpose in the application form. In case of valid application received without any choice of option/facility, the following default Option/Facility will be considered;

Default Option/ Facility:

Default Option – Growth Option

Default IDCW Facility – IDCW Reinvestment

Default IDCW Frequency – Monthly

The Trustee reserves the rights to declare bonus units under the Scheme.

Various Options:
☐ Growth option

No IDCWs will be declared under this option. The income earned under this option will get accumulated as capital accretion and will continue to remain invested in the Scheme and will be reflected in the NAV of the Units held under this option.

☐ IDCW option

IDCWs will be declared under this Option at specified frequencies at the discretion of the Trustee, subject to availability of distributable surplus calculated in accordance with SEBI (MF) Regulations. IDCWs, if declared will be paid to those unitholders whose names appear in the register of unitholders on the notified record date.

The Trustee reserves the right to change the record date from time to time. It must be noted that the actual declaration of IDCWs and the frequency thereof is at the sole discretion of the Trustee. There is no assurance or guarantee to the unitholders as to the rate of IDCW distribution nor that IDCWs be declared regularly. The Trustee reserves the right to declare IDCWs at any other frequency in addition to the frequencies mentioned below.

Pursuant to payment of IDCW, the NAV of the IDCW Option will fall to the extent of the IDCW payout and applicable statutory levies, if any.

Facilities under the IDCW Option:

☐ **IDCW Payout Facility**

Under this facility, IDCW declared, if any, will be paid (subject to deduction of IDCW distribution tax and statutory levy, if any) to those unitholders, whose names appear in the register of unitholders on the notified record date. If the IDCW payable under the IDCW Payout option is equal to or less than Rs.250 then the IDCW would be compulsorily reinvested in the existing option of the Scheme.

☐ **IDCW Reinvestment Facility**

Under this facility, the IDCW due and payable to the unitholders will be compulsorily and without any further act by the unitholder, reinvested in the respective IDCW Option at a price based on the prevailing Net Asset Value per unit on the record date (at the applicable ex-IDCW NAV). The amount of IDCW re-invested will be net of tax deducted at source, wherever applicable. On reinvestment of IDCWs, the number of units to the credit of the unit holder's account will increase to the extent of the IDCW reinvested divided by the Applicable NAV. There shall, however, be no load on the IDCWs so reinvested.

The frequencies of IDCW payment and the respective Record Dates under the different Facilities are as follows:

Frequency	Date/Days	Record date	Ex-date
Daily	Daily	Same	Same
Weekly	Every Monday	Same	Same
Fortnightly	10th , 25th of the Month	10th & 25 th	10th & 25 th
Monthly	1st Day of the Month	1st Day of the Month	1st Day of the Month

In case any of the record date falls on a Non-business Day, the record date shall be the immediately following Business Day. The AMC, in consultation with the Trustee reserves the right to discontinue/ add more options/ facilities at a later date subject to complying with the prevailing SEBI guidelines and Regulations.

The amounts can be distributed under Income Distribution cum capital withdrawal option (IDCW) out of investors capital (Equalization Reserve), which is part of sale price that represents realized gains. However, investors are requested to note that

	<p>amount (IDCW) distribution under IDCW option is not guaranteed and subject to availability of distributable surplus.</p> <p>A clear segregation between income distribution (appreciation on NAV) and capital distribution (Equalization Reserve) shall be suitably disclosed in the Consolidated Account Statement provided to the investors, whenever distributable surplus is distributed.</p>
IDCW Policy (Earlier known as Dividend Policy)	<p>The Trustee will endeavour to declare IDCW under the IDCW Option as per the specified frequencies, subject to availability of distributable surplus calculated in accordance with the Regulations.</p> <p>The AMC/Trustee reserves the right to change the frequency of declaration of IDCW or may provide for additional frequencies for declaration of IDCW. IDCW Declaration Procedure:-</p> <p>IDCW Distribution Procedure: Pursuant to SEBI circular no. SEBI/IMD/CIR No. 1/64057/06, dated April 4, 2006, the procedure for IDCW distribution will be as follows:</p> <ol style="list-style-type: none"> 1. Quantum of IDCW and record date shall be fixed by the Board of Trustees. IDCW so decided shall be paid, subject to availability of distributable surplus as on the date of declaration of IDCW. 2. Within 1 calendar day of the decision by the Board of Trustees, the AMC shall issue notice to the public communicating the decision about the IDCW including the record date, in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where Head Office of the Mutual Fund is situated. 3. Record date shall be the date, which will be considered for the purpose of determining the eligibility of investors whose name appear on the register of unit holders for receiving IDCWs. The Record Date will be two working days from the date of issue of notice. 4. The NAV will be adjusted to the extent of IDCW distribution and statutory levy, if any at the close of business hours on record date. 5. Before the issue of such notice, no communication indicating the probable date of IDCW declaration in any manner whatsoever will be issued by the Mutual Fund. 6. The payment of dividend to the unitholders shall be made within seven working days from the record date. <p>However, please note that in case of IDCW option/s where the frequency of IDCW declaration is up to and including Monthly basis, the requirement of issuing a notice, as mentioned above communicating the decision of declaring IDCW including the record date, is not mandatory. Accordingly, no notice as mentioned above will be published by AMC in case of IDCW declared under the Scheme under IDCW option where the frequency of IDCW declaration is up to and including Monthly basis.</p> <p>Even though the asset portfolio will be common, the NAVs of the growth option and IDCW option in the Scheme will be distinctly different after declaration of the first IDCW to the extent of distributed income, applicable tax and statutory levy, if any, and expenses relating to the distribution of the IDCWs.</p>

	All the IDCW declaration and payments shall be in accordance and in compliance with SEBI regulations, as amended from time to time.
Allotment	<p>Investors may apply for Units by filling up an Application Form. All valid and complete applications will be allotted Units at the Applicable NAV for the application amount.</p> <p>The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 Business Days from the receipt of valid application/transaction. Allotment confirmation shall be sent to the Unit holder's registered e-mail address and/ or mobile number.</p>

However, where an investor does not wish to receive CAS through email, option shall be given to the investor to receive the CAS in physical form at the address registered in the Depository system. • A CAS shall not be issued to the investor who has not updated their Permanent Account Number (PAN) in their respective folio. Investor may opt out of CAS facility if they do not wish to avail the same. <p>Note:</p> <ul style="list-style-type: none"> • If an applicant so desires, the AMC will issue an Account Statement to the applicant within 5 working days from the receipt of such request without any charges. • The unitholder may request for a physical Account Statement by writing/calling the AMC/ ISC/ Registrar & Transfer Agent. • For normal transactions and SIP/ STP/ SWP transactions as stated above, in the event the account has more than one registered holder, the first-named Unit holder shall receive the Account Statement. • Where units are held by investor in demat form, the demat statement issued by the Depository Participant will be deemed adequate compliance with the requirements in respect of dispatch of statements of account.
IDCW	<p>The IDCW warrants shall be dispatched to the unitholders within 07 working days of the date of declaration of the IDCW.</p> <p>In case of Unit holders having a bank account with certain banks with which the Mutual Fund would have an arrangement from time to time, the IDCW proceeds shall be electronically credited to their account.</p> <p>In case of specific request for IDCW by warrants/cheques/demand drafts or unavailability of sufficient details with the Fund, the IDCW will be paid by warrant/cheques/demand drafts and payments will be made in favour of the unitholder (registered holder of the Unit or, if there are more than one registered holder, only to the first registered holder) with bank account number furnished to the Fund.</p> <p>Please note that it is mandatory for the unitholders to provide the</p>

	bank account details as per SEBI guidelines.
Redemption	<p>The redemption or repurchase proceeds shall be dispatched to the unitholders within 03 working days from the date of redemption or repurchase.</p> <p>For redeeming units of the Scheme, an investor would need to submit a duly filled-in redemption application at any of ISC/Official Point of Acceptance.</p> <p>The redemption/ switch would be permitted to the extent of credit balance in the unitholder's account. The redemption/ switch request can be made by specifying either the number of units or the amount (in rupees) to be redeemed.</p> <p>Where Units under a Scheme are held under both Regular and Direct Plans and the Redemption/ Switch request pertains to the Direct Plan, the same must clearly be mentioned on the request (along with the folio number). However, where Units under the requested Option are held only under one Plan, the request would be processed under such Plan.</p> <p>For details regarding the minimum amount for redemption please see the point on Minimum amount for purchase/redemption/switches in this document.</p> <p>In the larger interest of the unitholders of the Scheme, the AMC may, in consultation with the Trustee, keeping in view unforeseen circumstances/ unusual market conditions, limit the total number of units which may be redeemed on any business day to such a percentage of the total number of units issued and outstanding under any Scheme/Plan/Option as the AMC may determine. For details, please refer to paragraph on 'Right to limit Redemption' in the SAI. The AMC reserves the right to, in consultation with the Trustee, suspend the purchase and/ or redemption of units temporarily or indefinitely, incase of unforeseen extraordinary circumstances. For details, please refer to paragraph on 'Suspension of Purchase and/ or Redemption of Units and IDCW Distribution' in the SAI.</p> <p>Redemption proceeds will be paid to the investor through Real Time Gross Settlement (RTGS), NEFT, Direct Credit, Cheque or demand draft.</p> <p>Payment of redemption proceeds:</p> <p>Resident Investors: In case of Unit holders having a bank account with certain banks with which the Mutual Fund would have an arrangement from time to time, the redemption proceeds shall be electronically credited to their account. In case of specific requests, redemption proceeds will be paid by way of cheques/demand drafts in favour of the unitholder (registered holder of the Unit or, if there are more than one registered holder, only to the first registered holder) with bank account number furnished to the Fund.</p>

	<p>Redemption by NRIs: For NRIs, redemption proceeds will be remitted depending upon the source of investment as follows:</p> <p><input type="checkbox"/> Where the payment for the purchase of the units redeemed was made out of funds held in NRO account, the redemption proceeds will be credited to the NRI investor's NRO account</p> <p><input type="checkbox"/> Where the units were purchased on repatriation basis and the payment for the purchase of the units redeemed was made by inward remittance through normal banking channels or out of funds held in NRE / FCNR account, the redemption proceeds will be credited to his NRE / FCNR / NRO account.</p> <p>Note :</p> <ol style="list-style-type: none"> The Fund will not be liable for any delays or for any loss on account of any exchange fluctuations, while converting the rupee amount in foreign exchange in the case of transactions with NRIs / FIIs. Payment to NRI / FII Unit holders will be subject to the relevant laws / guidelines of the RBI as are applicable from time to time (also subject to deduction of tax at source as applicable). The Fund may make other arrangements for effecting payment of redemption proceeds in future. The cost related to repatriation, if any will be borne by the Investor. <p>Restriction on Redemptions</p> <ol style="list-style-type: none"> Restriction on redemptions may be imposed when there are circumstances leading to a systemic crisis or event that severely constricts market liquidity or the efficient functioning of markets such as: <ol style="list-style-type: none"> Liquidity issues - when market at large becomes illiquid affecting almost all securities rather than any issuer specific security. AMCs should have in place sound internal liquidity management tools for schemes. Restriction on redemption cannot be used as an ordinary tool in order to manage the liquidity of a scheme. Further, restriction on redemption due to illiquidity of a specific security in the portfolio of a scheme due to a poor investment decision, shall not be allowed. Market failures, exchange closures - when markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies. Operational issues – when exceptional circumstances are caused by <i>force majeure</i>, unpredictable operational problems and technical failures (e.g. a black out). Such cases can only be considered if they are reasonably unpredictable and occur in spite of appropriate diligence of third parties, adequate and effective disaster recovery procedures and systems. Restriction on redemption may be imposed for a specified period of time not exceeding 10 working days in any 90 days period.
--	---

- c. Any imposition of restriction shall be with specific approval of Board of AMC's and Trustees and the same will be informed to SEBI immediately.
- d. When restriction on redemption is imposed, the following procedure shall be applied:
- i. No redemption requests upto INR 2 lakh shall be subject to such restriction.
 - ii. Where redemption requests are above INR 2 lakh, AMC's shall redeem the first INR 2 lakh without such restriction and remaining part over and above INR 2 lakh shall be subject to such restriction.

Effect of Redemptions

The balances in the unitholder's account will stand reduced by the number of units redeemed. Units once redeemed will be extinguished and will not be reissued.

Unclaimed redemptions and IDCWs

As per circular no. MFD / CIR / 9 / 120 / 2000, dated November 24, 2000 issued by SEBI, the unclaimed redemption and IDCW amounts shall be deployed by the Fund in call money market or money market instruments only. The investment management fee charged by the AMC for managing such unclaimed amounts shall not exceed 50 basis points. Investors claiming these amounts during a period of three years from the due date shall be paid at the prevailing NAV. After a period of three years, this amount shall be transferred to a pool account and the investors can claim the said amounts at the NAV prevailing at the end of the third year. Income earned on such funds shall be used for the purpose of investor education. The AMC shall make a continuous effort to remind investors through letters to take their unclaimed amounts. The AMC reserves the right to provide the facility of redeeming Units of the Scheme through an alternative mechanism including but not limited to online transactions on the Internet through the AMC website or any other website, etc., as may be decided by the AMC from time to time. The alternative mechanisms would be applicable to only those investors who opt for the same in writing and/or subject to investor fulfilling such conditions as the AMC may specify from time to time.

Bank Details:

In order to protect the interest of Unit holders from fraudulent encashment of redemption / IDCW cheques, SEBI has made it mandatory for investors to provide their bank details viz. name of bank, branch, address, account type and number, etc. to the Mutual Fund. Applications without complete bank details shall be rejected. The AMC will not be responsible for any loss arising out of fraudulent encashment of cheques / warrants and / or any delay /

	<p>loss in transit. Also, please refer to point on Registration of Multiple Bank Accounts in respect of an Investor Folio given elsewhere in this document.</p> <p>Bank Mandate under Dematerialised mode</p> <p>In case of those unit holders, who hold units in demat form, the bank mandate available with the respective DP will be treated as the valid bank mandate for the purpose of payout at the time of redemption. In view of the above, Multiple Bank Mandate registration facilities with the AMC will not be applicable to Demat account holders.</p>
Delay in payment of redemption/ repurchase proceeds/ IDCW	<p>Under normal circumstances, the redemption or repurchase proceeds shall be dispatched to the unitholders within 03 working days from the date of redemption or repurchase and the IDCW warrants shall be dispatched to the unitholders within 07 days of the date of declaration of the IDCW. The AMC shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum). However, the AMC will not be liable to pay any interest or compensation or any amount otherwise, in case the AMC / Trustee is required to obtain from the investor/ unitholders, verification of identity or such other details relating to subscription for units under any applicable law or as may be requested by a regulatory body or any government authority, which may result in delay in processing the application.</p>
Option to hold Units in dematerialised form	<p>The Unit holders are given an Option to hold the units in Physical form (by way of an Account Statement) or Dematerialized ('Demat') form. The Applicants intending to hold the Units in dematerialised mode will be required to have a beneficiary account with a DP of the NSDL/CDSL and will be required to mention the DP's Name, DP ID No. and Beneficiary Account No. with the DP in the application form at the time of subscription/ additional purchase of the Units of the scheme.</p> <p>Further, investors also have an option to convert their physical holdings into the dematerialised mode at a later date. Each Option held in the dematerialised form shall be identified on the basis of an International Securities Identification Number (ISIN) allotted by National Securities Depositories Limited (NSDL) and Central Depository Services Limited (CDSL). The ISIN No. details of the respective option can be obtained from your Depository Participant (DP) or you can access the website link www.nsdl.co.in or www.cdslindia.com. The holding of units in the dematerialized mode would be subject to the guidelines/ procedural requirements as laid by the Depositories viz. NSDL/CDSL from time to time.</p>

	<p>Demat Facility for SIP Transactions: Demat option shall be available for SIP transactions. However, the units will be allotted on the applicable NAV as per SID and will be credited to investors demat account on weekly basis on realization of funds.</p>																
Swing Pricing Framework	<p>Swing pricing refers to a process for adjusting a fund’s Net Asset Value (NAV) to effectively pass on transaction costs stemming from net capital activity (i.e. flows into or out of a scheme) to the investors associated with that activity. This would help to ensure fairness of treatment to all the investors i.e. whether entering, exiting or remaining invested in mutual fund schemes, particularly during market dislocation.</p> <p>Accordingly, mandatory full swing during market dislocation times shall apply as under:</p> <p>1. The Swing Framework shall apply in case of scenarios related to net outflows from the schemes.</p> <p>2. SEBI will determine ‘market dislocation’ either based on AMFI’s recommendation or suo-moto.</p> <p>3. Once market dislocation is declared, SEBI will notify that swing pricing will be applicable for a specified period.</p> <p>4. Thereafter, mandatory swing pricing will apply for Applicable Schemes which :</p> <p>a. have ‘High’ or ‘Very High’ risk on the risk-o-meter (as of the most recent period at the time of declaration of market dislocation); AND</p> <p>b. classify themselves in the cells A-III, B-II, B-III, C-I, C-II and C-III of Potential Risk Class (PRC) Matrix</p> <p>5. 	<p>Period of holding</p> <p>As per section 2(42A) of the Income-tax Act, 1961 ('the Act'), mutual fund units (other than equity oriented funds) held by the investor as a capital asset is considered as short term capital asset if it is held for a period of up to 36 months. Accordingly, if such unit is held for a period of more than 36 months, it is treated as a long-term capital asset.</p> <p>However, Finance Act 2023 ('FA 2023') has introduced section 50AA to provide that units in Specified Mutual Funds ('SMF') acquired as a capital asset after 1 April 2023 shall be considered as short term capital asset irrespective of its period of holding. Further, no deduction of STT and no indexation benefit is allowed in case of SMF.</p> <p>For this purpose, Specified Mutual Fund means a mutual fund where not more than 35% of its total proceeds is invested in equity shares of domestic companies.</p> <p>1) Long-term capital gains (from units other than units of SMF)</p> <p>For resident, as per section 112 of the Act, long-term capital gains on transfer of units, are liable to tax at the rate of 20% (with indexation benefits). Base year for indexation for computing long term capital gains shall be 1 April 2001 or the year in which the asset was first held by the assessee, whichever is later¹.</p> <p>Further, in case of individuals/HUF's, being residents, where the total income excluding long-term capital gains is below the maximum amount not chargeable to tax² [refer paragraph 5], then the difference between the maximum amount not chargeable to tax and total income excluding long term capital gains, shall be adjusted from long term capital gains. Therefore, only the balance long term capital gains will be liable to income tax at the rate of 20%.</p> <p>In case of non-residents, under section 112 of the Act, long-term capital gains would be taxable at the rate of 10% on the transfer of capital assets, being unlisted securities, without giving effect to the first and the second proviso to section 48 i.e. without taking the benefit of foreign currency fluctuation and indexation benefit. Further, long-term capital gains on transfer of listed units other than equity oriented mutual fund would be taxable at the rate of 20% (plus the applicable surcharge and cess), with indexation benefit.</p> <p>In case of FPIs, the long-term capital gains from the redemption or transfer of units shall be taxed at the rate of 10% without taking the benefit of foreign currency fluctuation and indexation benefit.</p>

2) Short-term capital gains from units in funds other than equity oriented funds (including SMF)

Short-term capital gains arising on redemption or transfer of units are subject to tax at normal tax rates (Refer paragraph 5 below) and 30% in case of FPIs as per section 115AD.

3) Taxability of income from mutual fund units

With effect from 1 April 2020, income distribution tax has been abolished and now the dividend income will be taxed in the hands of the unitholder at normal tax rates as mentioned in paragraph 5 and 20% in case of FPIs. Further, the applicable TDS rates are mentioned in paragraph 7 below.

As per section 57, the resident unitholders can claim deduction of interest expense to the extent of 20 per cent of income in respect of such units, included in the total income for that year, without deduction under this section.

4) Any income, including gains from redemption of units of scheme of Mutual Fund, received by any person for, or on behalf of, the New Pension System Trust³, is exempt in the hands of such person under section 10(44) of the Act.

D. COMPUTATION OF NAV

The Net Asset Value (NAV) of a mutual fund is the price at which units of a mutual fund are bought or sold. It is the market value of the fund after deducting its liabilities. The value of all units of a mutual fund portfolio are calculated on a daily basis, from this all expenses are then subtracted. The result is then divided by the total number of units the resultant value is the NAV. NAV is also sometimes referred to as Net Book Value or book Value.

Calculation of NAV Mutual fund assets usually fall under two categories – securities & cash. Securities, here, include both bonds and stocks. Therefore, the total asset value of a fund will include its stocks, cash and bonds at market value. IDCWs and interest accrued and liquid assets are also included in total assets. Also, liabilities like money owed to creditors, and other expenses accrued are also included.

The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VIII of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time.

Formula to calculate Net Asset Value (NAV) = (Assets – Debts) / (Number of Outstanding units)

Here: Assets = Market value of mutual fund investments + Receivables + Accrued Income

Debts = Liabilities + Expenses (accrued) the market value of the stocks & debentures.

The NAV shall be calculated up to four decimal places. However the AMC reserves the right to declare the NAVs up to additional decimal places as it deems appropriate. Separate NAV will be calculated and disclosed for each Plan/Option. The NAVs of the Growth Option and the IDCW Option will be different after the declaration of the first IDCW.

The AMC will calculate and disclose the first NAV of the Scheme within a period of 5 business days from the date of allotment. Subsequently, the NAVs will be calculated for all the Business Days.

Rounding off policy for NAV:

To ensure uniformity, the Mutual Fund shall round off NAVs up to four decimal places & the fourth decimal will be rounded off to the next higher digit if the fifth decimal is or more than 5 i.e., if the NAV is 10.13576 it will be rounded off to 10.1358.

However, there can be no assurance that the investment objective of the scheme will be achieved.

Sale Price:

Sale price is a price at which the fund house sells / offers mutual fund units to investors; this is nothing but the NAV of the respective Scheme of Mutual Fund. For investor who wants to invest in Mutual Fund, the units are offered at NAV of the respective Scheme of Mutual Fund.

For Example – If investor A wants to invest Rs. 5,000/- in XYZ Scheme of Mutual Fund. The NAV of Mutual Fund Scheme XYZ is Rs. 15 per unit. Investor's Investments & Mutual Fund unit allocation in Scheme XYZ is calculated as follows:-

$$\begin{aligned}\text{Investment of Investor A} &= \text{Investment Amount} / \text{Sale Price} \\ &= 5,000 / 15 \\ &= 333.3333 \text{ units}\end{aligned}$$

This means investor A will be allocated **333.3333 units** of Mutual Fund Scheme XYZ.

Repurchase Price:

Repurchase price is a price at which fund house repurchases the mutual fund units back from the investor. For investor who wants to redeem his mutual fund units, the units are repurchased at respective scheme NAV less Exit Load (If Applicable)

For Example - If Mutual Fund Scheme XYZ is having NAV of Rs. 15 & Exit Load of 1% then the repurchase price would be calculated as follow:

$$\begin{aligned}\text{Repurchase Price} &= \text{NAV} * (1 - \text{Exit Load \%}) \\ &= 15 * (1 - 0.01) \\ &= 14.8500\end{aligned}$$

This means the investor will realise **Rs. 14.8500** per unit if he redeems from Mutual Fund Scheme XYZ.

In case of no exit load the NAV & repurchase price are same.

IV. FEES AND EXPENSES

This section outlines the expenses that will be charged to the Scheme.

A. NEW FUND OFFER (NFO) EXPENSES

This section is not applicable.

B. ANNUAL SCHEME RECURRING EXPENSES As per the SEBI Regulations, the following fees and expenses can be charged to the Scheme. These expenses include Investment Management and Advisory Fee charged by the AMC and other expenses as given in the table below.

The AMC has estimated that following percentage of the daily net assets of the scheme will be charged to the scheme as expenses.

Estimated Expense Structure

Expense Head	% of daily Net Assets
(a) Investment Management and Advisory Fees	Upto 2.00%
(b) Trustee fee	
(c) Audit fees	
(d) Custodian fees	
(e) RTA Fees	
(f) Marketing & Selling expense incl. agent commission	
(g) Cost related to investor communications	
(h) Cost of fund transfer from location to location	
(i) Cost of providing account statements and IDCW redemption cheques and warrants	
(j) Costs of statutory Advertisements	
(k) Cost towards investor education & awareness (at least 2 bps)	
(l) Brokerage & transaction cost over and above 12 bps and 5 bps for cash and derivative market trades resp.	
(m) GST on expenses other than investment and advisory fees	
(n) GST on brokerage and transaction cost	
(O) Other Expenses*	
Maximum total expense ratio (TER) permissible under Regulation 52 (6)	Upto 2.00%
Additional expenses under regulation 52 (6A) (c)**	Upto 0.05%
Additional expenses for gross new inflows from specified cities Regulation 52 (6A)(b)#	Upto 0.30%

*Any other expenses which are directly attributable to the Scheme, may be charged with approval of the Trustee within the overall limits as specified in the Regulations except those expenses which are specifically prohibited.

** with reference to SEBI Circular SEBI/HO/IMD/DF2/CIR/P/2018/15 dated 02nd Feb 2018, Mutual Fund schemes including close ended schemes, wherein exit load is not levied / not applicable, the AMC's shall not be eligible to charge the above mentioned additional expenses for such schemes.

#Additional TER will be charged based on inflows only from retail investors\$ (other than Corporates and Institutions) from B 30 cities.

\$ As per SEBI Circular dated March 25, 2019, it has been decided that inflows of amount upto Rs. 2,00,000/- per transaction, by the individual investors shall be considered as inflows from retail investors.

All scheme related expenses including commission paid to distributors, by whatever name it may be called and in whatever manner it may be paid, shall necessarily be paid from the scheme only within the regulatory limits and not from the books of the Asset Management Companies (AMC), its associate, sponsor, trustee or any other entity through any route. Provided that the expenses that are very small in value but high in volume may be paid out of AMC's books. Such expenses can be paid out of AMC's books at actuals or not exceeding 2 bps of respective scheme AUM, whichever is lower

However, the upfront trail commission shall be paid from AMC's books for inflows through SIPs from new investors as per the applicable regulations. The said commission shall be amortized on daily basis to the scheme over the period for which the payment has been made. A complete audit trail of upfront of trail commissions from the AMC's books and amortization of the same to scheme(s) thereafter shall be made available for inspection. The said commission should be charged to the scheme as 'commissions' and should also account for computing the TER differential between regular and direct plans in each scheme.

These estimates have been made in good faith as per the information available and estimates made by the Investment Manager/ AMC and are subject to change inter-se or in total subject to prevailing SEBI Regulations. The AMC may incur actual expenses which may be more or less than those estimated above under any head and/or in total and may charge expenses under any of the different heads given under Regulation 52(2) & 52(4) of the SEBI (MF) Regulations (hereinafter called as SEBI Regulations). These expenses shall be subject to the maximum ceiling under the SEBI Regulations. Types of expenses charged shall be as per the SEBI Regulations.

As per Regulation 52(6) of the SEBI Regulations, the maximum recurring expenses (including the Investment Management and Advisory Fees) that can be charged to the respective schemes shall be subject to the percentage limit of daily net assets as given below:

Assets under management slab (In RsCrore)	Total Expense Ratio (TER)
On the first Rs 500 crores of the daily assets	2.00%
On the next Rs 250 crores of the daily assets	1.75%
On the next Rs 1,250 crores of the daily assets	1.50%

On the next Rs 3,000 crores of the daily assets	1.35%
On the next Rs 5,000 crores of the daily assets	1.25%
On the next Rs 40,000 crores of the daily assets	TER reduction of 0.05% for every increase of Rs 5,000 crores of daily net assets or part thereof.
On balance of the assets	0.80%

In addition to the limits specified above, as per Regulation 52(6A) of the SEBI Regulations, the following costs or expenses may be charged to the scheme, namely-

- (a) brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment, not exceeding 0.12 per cent in case of cash market transactions and 0.05 per cent in case of derivatives transactions;
- (b) expenses not exceeding of 0.30 per cent of daily net assets, if the new inflows from beyond top 30 cities are at least-
 - (i) 30 per cent of gross new inflows in the scheme, or;
 - (ii) 15 per cent of the average assets under management (year to date) of the scheme, whichever is higher:

Provided that if inflows from beyond top 30 cities is less than the higher of sub-clause (i) or sub-clause (ii), such expenses on daily net assets of the scheme shall be charged on proportionate basis as per below formula:

$$\frac{\text{Daily net assets} \times 30 \text{ basis points} \times \text{New inflows from beyond top 30 cities}}{365 \times \text{Higher of (a) or (b) above}}$$

* 366, wherever applicable.

Provided further that expenses charged under this clause shall be utilized for distribution expenses incurred for bringing inflows from such cities:

Provided further that amount incurred as expense on account of inflows from such cities shall be credited back to the scheme in case, the said inflows are redeemed within a period of one year from the date of investment;

The top 30 cities shall mean top 30 cities based on AMFI data on 'AUM by Geography – Consolidated Data for Mutual Fund Industry' as at the end of the previous financial year.

Subject to the SEBI Regulations and this document, expenses over and above the prescribed ceiling will be borne by AMC. The AMC may charge the Mutual Fund with investment and advisory fee as prescribed in the SEBI Regulations from time to time and as permitted by the Investment Management Agreement.

The Direct Plan shall have lower expense ratio compared to the Existing Plan and no commission shall be paid out of the Direct Plan.

The current expense ratios will be updated on the website of AMFI and the AMC website viz. www.growwmf.in on daily basis under a separate head 'Total Expense Ratio of Mutual Fund Schemes' in a downloadable spreadsheet format.

Any change in the base TER (i.e. TER excluding additional expenses provided in Regulation 52(6A)(b) and 52(6A)(c) of SEBI (Mutual Funds) Regulations, 1996) in comparison to previous base TER charged to the scheme, the AMC shall update the current expense ratios on the website of the mutual fund at least three working days prior to the effective date of the change..

Provisions Relating to GST:

1. GST on investment and advisory fees shall be charged to the scheme in addition to the maximum limit of TER as prescribed in Regulation 52 of the SEBI Regulations.
2. GST on other than investment and advisory fees, if any, shall be charged to the scheme within the maximum limit of TER as per Regulation 52 of the SEBI Regulations.
3. GST on exit load, if any, shall be paid out of the exit load proceeds and exit load net of service tax, if any, shall be credited to the scheme.
4. GST on brokerage and transaction cost paid for asset purchases, if any, shall be charged within the limit prescribed under Regulation 52 of the SEBI Regulations.

Illustration of impact of expense ratio on scheme's returns

For any scheme, NAV is computed on a daily basis factoring in all the assets as well as liabilities of the scheme (including expenses charged). Expenses charged to the scheme bring down its NAV and hence the investor's net returns on a corresponding basis.

Illustration:

If the scheme's gross of expenses NAV goes up by 15% over 1 year (for example from 10 to 11.5), and the expense charged for the scheme over that year is 2% of the initial NAV (0.2), the NAV of scheme (net of expenses) at the end of 1 year will come down to 11.3 (11.5 less 0.2) and therefore the net of expenses return for the investor will be 13%.

C. LOAD STRUCTURE

Load is an amount which is presently paid by the investor to redeem the Units from the Scheme. This amount is used by the AMC to pay commissions to the distributors and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, investors may refer to the website of the AMC (www.indiabullsamc.com) or you can contact your distributor.

Type of Load i.e. Load Chargeable (as %age of NAV)

Entry Load #- Not Applicable

Exit Load*- w.e.f. October 19, 2019

Investor exit upon subscription*	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7
Exit Load as a % of redemption proceeds	0.0070%	0.0065%	0.0060%	0.0055%	0.0050%	0.0045%	0.0000%

The date of applicable NAV towards redemption units shall be considered for calculating the number of subscription days.

#Pursuant to SEBI circular No. SEBI/IMD/CIR No. 4/ 168230/09 dated June 30, 2009, no entry load will be charged for purchase/ additional purchase/switch-in transactions accepted by the Fund. Upfront commission shall be paid directly by the investor to the ARN Holder (AMFI registered Distributor) based on the investors' assessment of various factors including the service rendered by the ARN Holder.

Transaction Charges

In accordance with SEBI Circular No. Cir/ IMD/ DF/13/ 2011 dated August 22, 2011 the following are the terms and conditions relating to Transaction Charges:

1. The Distributor, **(who has opted in based on type of product)**, would be allowed to charge the Mutual Fund Investor a Transaction Charge where the amount of investment is Rs. 10,000/- and above per subscription.
2. For existing investors in a Mutual Fund, the Transaction Charge allowed will be Rs. 100/- per subscription of Rs. 10,000/- and above.
For a first-time investor in a Mutual Fund, the Transaction Charge allowed will be Rs. 150/- per subscription of Rs. 10,000/- and above.
3. The Transaction Charge, where applicable based on the above criteria, will be deducted by the AMC from the subscription amount remitted by the Investor and paid to the distributor; and the balance (net) amount will be invested in the Scheme. Thus units will be allotted against the net investment.
4. No Transaction charges shall be levied:
 - a) Where the investor purchases the Units directly from the Mutual Fund.
 - b) Where the amount of investment is below Rs. 10,000/- per subscription.
 - c) On transactions other than purchases/ subscriptions relating to new inflows. Switch-in / Transfer / Transmission of units/Allotment of Bonus Units/IDCW reinvestment Units will not be considered as subscription for the purpose of levying the transaction charge.
5. The terms and conditions relating to transaction charges shall be part of the application form in bold print.
6. The statement of account shall clearly state that the net investment as gross subscription less transaction charge and give the number of units allotted against the net investment.
The transaction charges are in addition to the existing system of commission permissible to the Distributors. The transaction charges will be compliant with SEBI Circular, dated August 22, 2011.

The Investor is requested to check the prevailing Load structure and Transaction charges of the Scheme before investing.

The AMC/Trustee reserve the right to change/ modify the Load structure / CDSC if it so deems fit, subject to SEBI Regulations. The AMC/Trustee may charge additional load/expense or any other charge (by whatever name called) to the Scheme/Unit Holders on a prospective basis, as may be permitted under the SEBI Regulations. Any imposition or enhancement in the Load shall be applicable on prospective investments only. At the time of

changing the Load structure, the AMC shall follow the below mentioned measures to avoid complaints from investors about investment in the Scheme without knowing the Loads:

(i) The addendum detailing the changes shall be attached to the SID and Key Information Memorandum. The addendum shall be circulated to all the distributors/brokers so that the same can be attached to all SID and Key Information Memoranda already in stock. The addendum shall also be sent along with the newsletter sent to the Unit Holders immediately after the changes.

(ii) Arrangements shall be made to display the addendum to the SID in the form of a notice in all the ISCs and distributors/brokers office.

(iii) The introduction of the Load/ CDSC alongwith the details shall be stamped in the acknowledgement slip issued to the investors on submission of the Application Form and shall also be disclosed in the statement of accounts issued after the introduction of such Load/CDSC.

(iv) A public notice shall be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated.

(v) Any other measure which the Mutual Fund may feel necessary.

The Redemption Price will not be lower than 93% of the applicable NAV. Any enhancement or imposition of load in future shall be applicable on prospective investments only.

D. WAIVER OF LOAD FOR DIRECT APPLICATIONS

Pursuant to SEBI Circular no. SEBI/IMD/CIR No.4/ 168230/09 dated June 30, 2009 no entry load will be charged for purchase/ additional purchase/ switch-in transactions accepted by the Fund. Upfront commission shall be paid directly by the investor to the ARN Holder (AMFI registered Distributor) based on the investors' assessment of various factors including the service rendered by the ARN Holder.

VI. PENALTIES, PENDING LITIGATION OR PROCEEDINGS, FINDINGS OF INSPECTIONS OR INVESTIGATIONS FOR WHICH ACTION MAY HAVE BEEN TAKEN OR IS IN THE PROCESS OF BEING TAKEN BY ANY REGULATORY AUTHORITY

This section shall contain the details of penalties, pending litigation, and action taken by SEBI, other regulatory and Govt. Agencies.

1. All disclosures regarding penalties and action(s) taken against foreign Sponsor(s) may be limited to the jurisdiction of the country where the principal activities (in terms of income / revenue) of the Sponsor(s) are carried out or where the headquarters of the Sponsor(s) is situated. Further, only top 10 monetary penalties during the last three years shall be disclosed- **Not Applicable**

2. In case of Indian Sponsor(s), details of all monetary penalties imposed and/ or action taken during the last three years or pending with any financial regulatory body or governmental authority, against Sponsor(s) and/ or the AMC and/ or the Board of Trustee /Trustee Company; for irregularities or for violations in the financial services sector, or for defaults with respect to share holders or debenture holders and depositors, or for economic offences, or for violation of securities law. Details of settlement, if any, arrived at with the aforesaid authorities during the last three years shall also be disclosed.-**Nil**

3. Details of all enforcement actions taken by SEBI in the last three years and/ or pending with SEBI for the violation of SEBI Act, 1992 and Rules and Regulations framed there under including debarment and/ or suspension and/ or cancellation and/ or imposition of monetary penalty/adjudication/enquiry proceedings, if any, to which the Sponsor(s) and/ or the AMC and/ or the Board of Trustee /Trustee Company and/ or any of the directors and/ or key personnel (especially the fund managers) of the AMC and Trustee Company were/ are a party. The details of the violation shall also be disclosed -

- **NIL**

4. Any pending material civil or criminal litigation incidental to the business of the Mutual Fund to which the Sponsor(s) and/ or the AMC and/ or the Board of Trustee /Trustee Company and/ or any of the directors and/ or key personnel are a party should also be disclosed separately- **Nil**

5. Any deficiency in the systems and operations of the Sponsor(s) and/ or the AMC and/ or the Board of Trustees/Trustee Company which SEBI has specifically advised to be disclosed in the Scheme Information Document, or which has been notified by any other Regulatory Agency, shall be disclosed- **Nil**

Note: The updated list of official points of acceptance, investor service centers and collection bankers will be provided at the time of launch of the scheme.

The Scheme was approved by the Board of Directors of Groww Trustee Limited (formerly known as Indiabulls Trustee Company Limited) of Groww Mutual Fund on May 18, 2011. The Board of Directors of Groww Trustee Limited (formerly known as Indiabulls Trustee Company Limited) has ensured that the Scheme is a new product offered by Groww Mutual Fund and is not a minor modification of its existing schemes.

The Scheme Information Document is an updated version of the same in line with the current laws / regulations and other developments.

Notwithstanding anything contained in this Scheme Information Document, the provisions of the SEBI (Mutual Funds) Regulations, 1996 and the guidelines there under shall be applicable.

**For and on behalf of the Board of Directors of
Groww Asset Management Ltd (formerly known as Indiabulls Asset Management Co. Ltd.)**
